## CIRCULAR

Dear Students and Faculty Members,

We are excited to announce an upcoming online seminar on "**Internet of Things (IoT)**" scheduled for **August 2, 2021, at 12:00 PM** via Zoom. This seminar aims to explore the latest trends and advancements in IoT technology and its impact on various industries.

- **Topic: Internet of Things (IoT)**
- **Date: August 2, 2021**
- **Time: 12:00 PM**

The seminar will provide valuable insights into the world of IoT, covering topics such as IoT applications, emerging technologies, and industry trends. Participants will have the opportunity to learn from experts in the field and gain a deeper understanding of how IoT is shaping the future of technology.

This seminar is open to all students and faculty members who are interested in learning more about IoT and its potential applications. We encourage everyone to join us for this informative session and engage in meaningful discussions with our guest speaker.

We look forward to your active participation.

Thank you for your attention.

Sincerely,

Principal

*K. Waghmare*

## Invitation Letter

To

The Professor

Radhai Mahavidyalya Sanjay Nagar N-2,

Aurangabad

Maharashtra State 431001.

**Subject: Invitation to Online Seminar on "Internet of Things"**

**Respected Prof. Suchita Mahendra Shegaonkar**

We are pleased to invite you to a one-day online seminar organized by our College on the topic "Internet of Things." The seminar will be held on **August 2, 2021, at 12:00 PM** via Zoom.

We are honored to have Prof. Suchita Mahendra Shegaonkar as our guest speaker for this event. Prof. Shegaonkar will share her extensive knowledge and insights on the Internet of Things (IoT), a transformative technology that is reshaping various industries and everyday life. This seminar aims to enhance our students' understanding of IoT and its applications.

We sincerely hope you will accept our invitation to participate in this seminar, as your presence will greatly enrich the learning experience of our students.

We look forward to your positive response and participation.

Thank you and best regards,

Sincerely,

Principal.

## Appreciation Letter

To

The Professor

Radhai Mahavidyalya Sanjay Nagar N-2,

Aurangabad

Maharashtra State 431001.

**Subject: Appreciation for Conducting Online Seminar on Internet of Things (IoT)**

**Respected Prof. Suchita Mahendra Shegaonkar,**

On behalf of our College, I would like to extend our heartfelt appreciation for your invaluable contribution as the guest speaker at the online seminar on "Internet of Things (IoT)" held on 2 August 2021 at 12:00 PM.

Your expertise and insights into IoT have provided our students with a profound understanding of the subject. Your engaging presentation and practical examples have greatly enriched their knowledge and inspired them to explore this innovative field further.

We are truly grateful for the time and effort you dedicated to sharing your knowledge with our students. Your contribution has made a lasting impact on their academic and professional development.

Once again, thank you for your participation and for making the seminar a resounding success. We look forward to future opportunities for collaboration and learning from your extensive experience.

With sincere appreciation,

Sincerely,

Principal.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2021-2022

### Report - One Day Online Seminar on Internet of Things (IoT)

#### Executive Summary:

The seminar on IoT, led by Prof. Suchita Mahendra Shegaonkar, aimed to enlighten participants about IoT's significance, applications, and future trends. The program emphasized key elements of effective communication, highlighted the impact of IoT on various industries, and proposed future initiatives. Attendees engaged in interactive sessions and a dynamic Q&A session, gaining valuable insights into IoT's potential and challenges. The seminar concluded with a call to action for participants to explore and leverage IoT for innovation and growth.

#### Programme Details:

- Date: August 2, 2021
- Time: 12:00 pm
- Venue: Online
- Guest Speaker: Prof. Suchita Mahendra Shegaonkar
- Organizer: Modern College of Computer Science & Information Technology
- Topic: Internet of Things (IoT)

#### Programme Highlights:

- **Introduction to IoT:** Prof. Shegaonkar provided an overview of IoT, explaining its concepts, components, and applications.
- **IoT in Industry:** The seminar explored IoT's impact on various industries, such as healthcare, agriculture, and manufacturing.
- **IoT Technologies:** Participants learned about the technologies powering IoT, including sensors, connectivity, and data analytics.

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **IoT Security:** Prof. Shegaonkar discussed the importance of IoT security and best practices for securing IoT devices and networks.
- **Case Studies:** Real-world case studies of successful IoT implementations were presented, showcasing IoT's practical applications.
- **IoT Challenges:** The seminar addressed the challenges and barriers to IoT adoption, such as privacy concerns and interoperability issues.
- **Future Trends:** Attendees gained insights into the future trends and advancements expected in the field of IoT.
- **IoT Innovation:** The seminar encouraged participants to innovate and develop new IoT solutions for existing problems.
- **IoT Ethics:** Ethical considerations related to IoT, such as data privacy and transparency, were discussed.
- **IoT Opportunities:** Participants were informed about the career opportunities and growth prospects in the field of IoT.

### Key Elements of Effective Communication:

- **Clarity:** Ensuring clear and concise communication of IoT concepts and applications.
- **Engagement:** Engaging participants through interactive activities and real-world examples.
- **Relevance:** Making the content relevant to participants' understanding and interests.
- **Empathy:** Understanding and empathizing with participants' learning needs and challenges.
- **Feedback:** Soliciting feedback from participants to improve communication and content delivery.

### Impact:

- **Increased Awareness:** Participants gained a better understanding of IoT and its potential impact on society and industries.
- **Enhanced Knowledge:** Attendees acquired new knowledge and skills related to IoT technologies and applications.

PARMITA EDUCATION SOCIETY

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **Inspired Innovation:** The seminar inspired participants to innovate and explore new ideas in the field of IoT.
- **Professional Growth:** Participants felt more prepared to pursue career opportunities in the rapidly growing field of IoT.
- **Networking:** The seminar provided networking opportunities with experts and peers in the field of IoT.

### Future Initiatives:

- **Advanced Workshops:** Organize advanced workshops on specific IoT topics, such as IoT security and data analytics.
- **Research Collaborations:** Facilitate research collaborations with industry partners to explore new IoT applications and technologies.
- **Industry Partnerships:** Forge partnerships with industry leaders to provide hands-on IoT training and internship opportunities.
- **IoT Hackathons:** Organize IoT hackathons to encourage innovation and collaboration among students and professionals.
- **Continuing Education:** Offer continuing education programs on IoT to keep participants updated with the latest trends and technologies.

### Acknowledgements:

We extend our heartfelt thanks to Prof. Suchita Mahendra Shegaonkar for her insightful seminar on IoT. Special thanks to the organizing committee, participants, and sponsors for their valuable contributions and support.

### Questions & Answers Session:

The Q&A session was engaging, with participants asking insightful questions about IoT and receiving valuable answers from Prof. Shegaonkar. Topics included IoT applications, security, and future trends.

ACADEMIC YEAR 2021-2022

## Report on one-day online workshop on 'Team Dynamics in Software Development.'

### Executive Summary

On October 11, 2021, Modern College of Computer Science & Information Technology hosted a one-day online workshop on 'Team Dynamics in Software Development.' The workshop aimed to explore the critical aspects of team dynamics that contribute to successful software development projects. Dr. Vikas Waghmare from Tulsi College of Computer Science & Information Technology was the guest speaker, sharing his extensive expertise and practical insights on effective team collaboration, communication, and conflict resolution. The event was highly engaging, with participants actively involved in discussions and a comprehensive Q&A session.

### Programme Details

- Date: October 11, 2021
- Time: 10:00 AM - 3:00 PM
- Platform: Zoom
- Organizer: Modern College of Computer Science & Information Technology
- Guest Speaker: Dr. Vikas Waghmare, Tulsi College of Computer Science & Information Technology

### Programme Highlights

#### 1. Inaugural Session:

- Welcome address by Dr. Asmita Sharad Salve
- Introduction of Dr. Vikas Waghmare
- Outline of workshop objectives and agenda

*Vikas Waghmare*

## Technical Sessions:

### Session 1: 'Understanding Team Dynamics'

- Importance of team dynamics in software development

#### Key components of effective teams

### Session 2: 'Communication Strategies'

- Techniques for clear and effective communication
- Role of communication in team success

### Session 3: 'Conflict Resolution and Management'

- Common sources of conflict in software teams
- Strategies for resolving conflicts and maintaining harmony

## Interactive Workshop:

- Group activities to illustrate team dynamics
- Case studies and real-life examples
- Breakout sessions for collaborative problem-solving

## Question & Answer Session:

- Participants' queries addressed by Dr. Waghmare
- Detailed discussions on specific issues and challenges faced by teams

## Key Elements of Effective Communication

### 1. Clarity:

- Ensuring messages are clear and concise
- Avoiding technical jargon unless necessary

### 2.Active Listening:

- Encouraging team members to listen actively
- Validating and acknowledging contributions

### 3.Feedback:

- Providing constructive feedback
- Encouraging a feedback-rich environment

### 4.Non-Verbal Communication:

- Understanding body language and tone
- Ensuring alignment between verbal and non-verbal messages

### Impact

#### 1.Enhanced Understanding:

- Improved knowledge of team dynamics in software development
- Greater awareness of the importance of communication and conflict resolution

#### 2.Skill Development:

- Development of practical skills for effective team collaboration
- Techniques for managing and resolving conflicts

#### 3.Behavioral Change:

- Encouragement to adopt effective communication practices
- Promotion of a collaborative and supportive team culture

### Future Initiatives

#### 1.Advanced Workshops:

- Follow-up sessions on advanced team dynamics topics
- Workshops on specific tools and techniques for team management

*Koraghorase*

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2021-2022

## Report: One-Day Online Seminar on 'Data Analysis & Interpretation for Business Decision Making'

### Executive Summary

On October 26, 2021, Modern College of Computer Science & Information Technology conducted a one-day online seminar titled 'Data Analysis & Interpretation for Business Decision Making.' The seminar was led by Prof. Shilpa Borade from Tulsi College of Computer Science & Information Technology. The event aimed to enhance participants' skills in analyzing and interpreting data to make informed business decisions. The seminar featured comprehensive sessions on data analysis techniques, tools, and practical applications, supplemented by interactive workshops and a robust Q&A session. The seminar successfully provided attendees with essential knowledge and practical skills for effective data-driven decision making in business.

### Programme Details

- Date: October 26, 2021
- Time: 4:00 AM - 6:00 PM
- Platform: Zoom
- Organizer: Modern College of Computer Science & Information Technology
- Guest Speaker: Prof. Shilpa Borade, Tulsi College of Computer Science & Information Technology

### Programme Highlights

#### Inaugural Session:

- **Welcome Address:** Delivered by Dr. Asmita Sharad Salve, highlighting the importance of data analysis in modern business practices.

*Kwaghmare*

I/C Principal  
Modern College of Computer Science & I.T.,

Reg. No. F-11895/"A'Bad"

- **Introduction of Guest Speaker:** A brief overview of Prof. Shilpa Borade's qualifications and expertise in data analysis and business decision making.
- **Seminar Objectives:** Outline of the seminar's goals, including skill development in data analysis and interpretation for business applications.

## Technical Sessions:

### Session 1: 'Introduction to Data Analysis'

- **Content:** Overview of data analysis concepts and their significance in business decision making.
- **Tools Introduced:** Basic tools like Microsoft Excel and introductory statistical methods.

### Session 2: 'Advanced Data Analysis Techniques'

- **Content:** In-depth exploration of advanced data analysis techniques, including regression analysis, clustering, and predictive modeling.
- **Tools Introduced:** Use of R and Python for complex data analysis tasks.

### Session 3: 'Data Interpretation and Business Insights'

- **Content:** Methods for interpreting data analysis results and translating them into actionable business insights.
- **Examples:** Real-world case studies showcasing successful data-driven business strategies.

## Interactive Workshops:

- **Hands-On Activities:** Practical exercises using data sets to practice analysis techniques.
- **Group Exercises:** Collaborative tasks to solve data analysis problems and interpret results.
- **Case Study Discussions:** Detailed discussions on real-world scenarios to apply theoretical knowledge.

## Question & Answer Session:

- **Interactive Q&A:** Participants posed questions to Prof. Borade, who provided detailed answers and shared practical insights.

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **Discussion Topics:** Addressed common challenges in data analysis and best practices for effective data-driven decision making.

## Key Elements of Effective Communication:

### Clarity

- **Presentation:** Ensuring all data and analysis are presented clearly and concisely.
- **Simplicity:** Avoiding overly technical language unless necessary, ensuring all participants can follow along.

### Engagement:

- **Interactive Elements:** Incorporating interactive activities and workshops to maintain participant engagement.
- **Visual Aids:** Using visual aids like graphs, charts, and infographics to enhance understanding.

### Relevance:

- **Practical Examples:** Providing real-world examples and case studies to illustrate theoretical concepts.
- **Current Trends:** Aligning seminar content with current trends and applications in the business world.

### Feedback:

- **Participant Feedback:** Actively seeking feedback from participants to assess understanding and areas for improvement.
- **Iterative Improvement:** Using feedback to refine and enhance future seminars.

## Conclusion

The one-day online seminar on 'Data Analysis & Interpretation for Business Decision Making' was a resounding success, providing participants with valuable insights into the role of data analysis in business. Led by Prof. Shilpa Borade, the seminar featured comprehensive technical sessions, interactive workshops, and a robust Q&A session. Participants gained essential knowledge and practical skills, enhancing their ability to make data-driven business decisions. The event underscored the importance of analytical thinking and effective communication in business, laying the foundation for future initiatives to continue promoting these crucial skills.

### Executive Summary

The One Day Online Seminar on "Emerging Trends in Information Technology," Gurukul College, Neknoor, Beed, under the guidance of Principal Prof. Kishore Wagh, aimed to explore the latest advancements and implications of IT trends.

### Programme Highlights

- 1. Opening Address by Prof. Kishore Wagh:** Prof. Wagh set the stage by highlighting the importance of staying updated with emerging IT trends for both academic and professional growth.
- 2. Session on Artificial Intelligence (AI) and Machine Learning:** Experts discussed the applications of AI and machine learning in various sectors, including healthcare, finance, and manufacturing.
- 3. Blockchain and Cryptocurrency Presentation:** A detailed presentation covered the fundamentals of blockchain technology and its impact on financial transactions and data security.
- 4. Panel Discussion on Future Technologies:** Industry leaders engaged in a panel discussion, exploring the challenges and opportunities presented by emerging technologies like IoT and big data.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2021-2022

## Report on One Day Online Seminar on Artificial Intelligence & Machine Learning

### Executive Summary:

The one-day online seminar on "Artificial Intelligence & Machine Learning," conducted via Zoom on December 10, 2021, featured Neha Sonwane from Eklavya College, Aurangabad, as the keynote speaker. The seminar aimed to delve into the latest advancements, applications, and future prospects in AI and ML, offering valuable insights to participants from diverse backgrounds.

### Program Highlights:

- 1. Opening Remarks and Introduction:** Dr. Asmita Sharad Salve, the organizer, initiated the seminar by emphasizing the growing significance of AI and ML in today's digital era.
- 2. Keynote Address by Neha Sonwane:** Neha Sonwane provided a comprehensive overview of AI and ML technologies, covering foundational concepts, current trends, and practical applications across various industries.
- 3. Interactive Sessions:** The seminar included interactive Q&A sessions, polls, and breakout discussions to encourage participant engagement and deeper exploration of seminar topics.
- 4. Real-time Demonstrations:** Practical demonstrations and case studies were showcased to illustrate how AI and ML are being implemented in real-world scenarios, enhancing understanding among attendees.

### Key Elements of Effective Communication:

Effective communication during the seminar was facilitated through:

- Clear and structured presentations by Neha Sonwane, utilizing visual aids and real-time examples to simplify complex concepts.
- Engaging participants through interactive activities, ensuring active participation and fostering a conducive learning environment.

*K. Waghmare*

Reg. No. F-11895/"A'Bad"

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

- Encouraging open dialogue and knowledge sharing among participants, promoting a collaborative learning experience.

## Impact:

The seminar had a significant impact on participants:

- Increased awareness and understanding of AI and ML technologies.
- Inspired participants to explore career opportunities and academic pursuits related to AI and ML.
- Enhanced networking opportunities among students, faculty, and industry professionals, fostering potential collaborations and partnerships.

## Future Initiatives:

To sustain the momentum generated by the seminar, future initiatives may include:

- Organizing advanced workshops or webinars focusing on specialized areas within AI and ML.
- Establishing partnerships with industry leaders to offer practical training and internship opportunities.
- Integrating AI and ML modules into the college curriculum to equip students with relevant skills for future employment.

## Acknowledgment:

The success of the seminar was made possible through the collaborative efforts of:

- Neha Sonwane, Eklavya College, Aurangabad, for sharing expertise and insights.
- Organizing committee members, volunteers, and technical support staff for their dedication and contribution.

**Subject: Invitation to Guest Speak on "Elimination of Superstitions"**

I hope this letter finds you well. On behalf of our college, I am delighted to extend an invitation to you to be a guest speaker at our institution.

We are organizing a session on "**Elimination of Superstitions**" for our students, and we believe that your insights and expertise in this area would be invaluable. Your vast experience and knowledge will surely enlighten and inspire our students.

The session is scheduled to take place on 03 Jan 2022 at 12: 30 pm our college premises. We would be honored to have you as our guest speaker and would greatly appreciate your presence.

Please let us know at your earliest convenience if you are able to accept our invitation. We are looking forward to your positive response.

Thank you for considering our invitation. We are eager to hear from you soon.

*K. D. Ghoshane*

## Appreciation Letter

On behalf of our College, I extend my heartfelt gratitude to you for accepting our invitation and delivering an enlightening guest lecture on the topic "**Elimination of Superstitions**" to our students.

Your insightful presentation not only educated our students about the harmful effects of superstitions but also inspired them to think critically and rationally. Your expertise and passion for this cause were evident throughout the session, and we are truly grateful for the knowledge and wisdom you shared with us.

We believe that your lecture has made a significant impact on our students and has motivated them to contribute towards building a more rational and enlightened society. Your dedication to the cause of superstition eradication is commendable, and we are honored to have had the opportunity to host you as our guest speaker.

Once again, thank you for your valuable contribution. We look forward to the possibility of collaborating with you in the future.

*K. Daghmare*

## Outcome

- Participants developed a deeper understanding of critical thinking and scientific reasoning.
- Attendees gained knowledge about the negative impacts of superstitions.
- Common myths and misconceptions were successfully debunked.
- Rational and evidence-based decision-making was encouraged among participants.
- Awareness about the origins of superstitions was significantly raised.
- A culture of questioning and skepticism was fostered.
- The crucial role of education in eliminating superstitions was highlighted.
- Tools for identifying and countering superstitious beliefs were provided.
- The community engaged in meaningful discussions on rationality.
- Participants felt empowered to advocate against superstitions.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## Report on One Day Workshop on Elimination of Superstitions

### Executive Summary

On January 3, 2022, Modern College of Computer Science & Information Technology hosted a one-day workshop on "Elimination of Superstitions." The seminar, conducted via Zoom at 12:30 PM, featured Dr. Vittal Venkatrao Ghule, the Joint Director of the Maharashtra Superstition Committee, as the keynote speaker. The event aimed to promote rational thinking, debunk myths, and encourage evidence-based decision-making. The seminar successfully engaged participants and provided valuable insights into combating superstitions.

### Programme Highlights

- Welcome Address:** The workshop began with a welcome address by Dr. Asmita Sharad Salve, who introduced the topic and emphasized the importance of addressing superstitions in modern society.
- Keynote Speech by Dr. Vittal Venkatrao Ghule:** Dr. Ghule delivered an enlightening speech on the origins, impacts, and strategies for eliminating superstitions.
- Interactive Session:** Participants were given the opportunity to ask questions and engage in discussions with Dr. Ghule.
- Case Studies:** Dr. Ghule presented real-life examples and case studies demonstrating the harmful effects of superstitions.
- Q&A Session:** A dedicated Q&A session allowed attendees to seek clarification and further insights.
- Closing Remarks:** The workshop concluded with closing remarks by Dr. Salve, who summarized the key takeaways and encouraged participants to apply their newfound knowledge.

### Key Elements of Effective Communication

1. **Clarity:** Dr. Ghule's presentation was clear and concise, making complex topics easily understandable.
2. **Engagement:** The interactive format kept participants engaged and encouraged active participation.
3. **Relevance:** The content was highly relevant to the audience, addressing common superstitions and their impacts.
4. **Visual Aids:** The use of visual aids and real-life examples enhanced the presentation's effectiveness.
5. **Empathy:** Dr. Ghule demonstrated empathy, understanding the emotional aspects of superstitions and addressing them sensitively.
6. **Authority:** As the Joint Director of the Maharashtra Superstition Committee, Dr. Ghule's authority and expertise added credibility to the seminar.
7. **Feedback:** Participants were encouraged to provide feedback, fostering a two-way communication channel.
8. **Motivation:** Dr. Ghule motivated attendees to adopt rational thinking and challenge superstitions in their communities.
9. **Adaptability:** The workshop was adaptable, addressing spontaneous questions and discussions.
10. **Actionable Insights:** Practical strategies and tools were provided, enabling participants to apply what they learned.

### Impact

The workshop had a significant impact on the participants. They reported a heightened awareness of the negative consequences of superstitions and felt equipped with the knowledge to counter these beliefs. The interactive nature of the seminar fostered a sense of community and mutual support among attendees, who were inspired to advocate for rational thinking in their circles.

PARMITA EDUCATION SOCIETY

# MODERN COLLEGE

COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A"Bad"

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

## Future Initiatives

To build on the success of this seminar, the following future initiatives are proposed:

1. **Follow-Up Workshops:** Conducting follow-up workshops to delve deeper into specific superstitions and their eradication.
2. **Community Outreach:** Organizing community outreach programs to spread awareness at the grassroots level.
3. **Educational Materials:** Developing educational materials, such as pamphlets and videos, to reach a wider audience.
4. **Collaboration:** Partnering with other organizations and educational institutions to amplify the message.
5. **Research:** Encouraging research on the impact of superstitions and effective methods for their elimination.

## Acknowledgment

We extend our heartfelt gratitude to Dr. Vittal Venkatrao Ghule for his invaluable insights and contributions. We also thank the organizing committee, participants, and the technical team for making this workshop a success. Special thanks to Dr. Asmita Sharad Salve for her leadership and coordination.

## Conclusion

The **one-day workshop on "Elimination of Superstitions"** was a resounding success. It achieved its objectives of promoting rational thinking and debunking myths. The engagement and enthusiasm of the participants were commendable. This seminar marks the beginning of a series of initiatives aimed at fostering a rational and scientific outlook in society.

## CIRCULAR

Dear Students and Staff Members,

We are pleased to announce that a **one-day workshop on "Awareness on Tobacco"** will be conducted by esteemed doctors from the Government Hospital. The workshop is scheduled to take place on January 4, 2022, at 12:30 PM.

This workshop aims to create awareness about the dangers of tobacco use and the importance of maintaining a healthy lifestyle. The insights and expertise shared by the doctors will be invaluable in educating us all about the serious health risks associated with tobacco.

### Details of the Workshop:

Date: January 4, 2022

Time: 12:30 PM

We strongly encourage all students and staff members to attend this workshop. Your presence and punctuality are essential to make the most of this valuable learning opportunity. Please ensure you join the Zoom meeting on time.

Let's work together to promote a healthier, tobacco-free environment.

Thank you for your attention and cooperation.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## REPORT ON AWARENESS ON TABACCO

### Executive Summary:

The awareness program on tobacco, held on January 4, 2022, at 12:30 PM, was a proactive initiative by Modern College of Computer Science & Information Technology to educate students about the dangers of tobacco use. The program featured a team of doctors from the government hospital who provided valuable insights and guidance on the harmful effects of tobacco. The event aimed to raise awareness, promote healthier lifestyles, and prevent tobacco-related diseases among the college community.

### Programme Details:

- Date: January 4, 2022
- Time: 12:30 PM
- Venue: Modern College of Computer Science & Information Technology
- Participants: Students, faculty, and staff
- Guest Speakers: Doctors from the government hospital

### Programme Highlights:

- Presentation on the health risks of tobacco use.
- Demonstration of the effects of tobacco on oral health.
- Distribution of informational pamphlets and brochures.
- Interactive sessions with the doctors.
- Gift of a tobacco cessation kit to attendees.

## Key Elements of Effective Communication:

- Clear and concise messaging on the dangers of tobacco.
- Engaging presentations and interactive sessions.
- Use of visuals and real-life examples to illustrate the impact of tobacco.
- Encouraging personal stories and testimonials from affected individuals.
- Providing actionable steps for tobacco cessation.

## Impact:

- Increased awareness about the harmful effects of tobacco.
- Encouraged students to reconsider their tobacco habits.
- Provided resources for those looking to quit tobacco.
- Created a supportive environment for tobacco cessation.

## Future Initiatives:

- Organize regular awareness programs on tobacco and other health issues.
- Collaborate with local health authorities for more extensive outreach.
- Establish a tobacco-free campus policy.
- Offer support and resources for tobacco cessation to students and staff.

## Acknowledgment:

We extend our gratitude to the doctors from the government hospital for their informative session and valuable guidance. Their expertise and dedication were instrumental in making this program a success.

## Questions & Answers Session:

The interactive Q&A session allowed participants to clarify their doubts and seek additional information about tobacco use and cessation.

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

- The workshop boosted participants' confidence levels, enabling them to respond assertively and effectively to threatening situations.
- Participants developed a sense of camaraderie and mutual support, fostering a supportive community focused on personal safety and well-being.
- Participants learned how to assess and mitigate risks to personal security, implementing prevention strategies to avoid potentially dangerous situations.
- The workshop emphasized the importance of empathy and respect in self-defence, promoting responsible and ethical use of self-defence techniques.
- Participants were encouraged to continue practicing and refining their self-defence skills beyond the workshop, integrating them into their daily lives.
- The workshop received positive feedback from participants, with many expressing appreciations for the valuable knowledge and skills gained.
- Based on the success of the workshop, plans were made to organize similar events in the future, catering to the ongoing needs of the college community in personal security and self-defence.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## Report on Two Day Workshop on Awareness Programme on Personal Security (Self Defence)

### Executive Summary:

The Awareness Programme on "Personal Security" (Self Defence/Prashikshan) conducted at Modern College of Computer Science and Information aimed to equip students with essential skills and knowledge to enhance their personal security and safety. Guest trainers, Mr. and Mrs. Chayal, experienced self-defence coaches from the Association of India (Women Coach), led the programme, providing valuable training and guidance to our students.

### Programme Details:

- **Date:** January 14, 2022                      Time: 11:00 AM
- **Date:** January 15, 2022                      Time: 12:30 PM
- **Time:** 11:30 AM

### Programme Highlights:

- Introduction to Personal Security and Self Defence
- Practical Training Sessions led by Mr. and Mrs. Chayal
- Demonstration of Self-Defence Techniques
- Interactive Discussions on Personal Safety Strategies
- Case Studies and Examples of Real-Life Situations
- Question and Answer Session with the Trainers

### Key Elements of Effective Communication:

- Clear Communication of Objectives and Expectations
- Engaging Presentations and Demonstrations

PARMITA EDUCATION SOCIETY

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

- Active Participation and Involvement of Participants
- Encouragement of Questions and Open Dialogue
- Respectful and Supportive Communication Environment

## Case Studies and Example:

1. Presentation of real-life case studies highlighting the importance and effectiveness of self-defence techniques in personal security.
2. Demonstration of self-defence techniques through role-play scenarios, providing practical examples for students to learn from.

## Impact:

**1. Increased Awareness:** Students gained a deeper understanding of personal security issues and the importance of self-defence in protecting themselves.

**2. Empowerment:** Participants felt empowered and more confident in their ability to respond effectively to potential threats.

**3. Skill Development:** Students acquired practical self-defence skills that they can apply in various situations to ensure their safety.

**Future Initiatives:** Plans were made to organize similar awareness programmes in the future, addressing the ongoing need for personal security education.

**Acknowledgment:** We extend our heartfelt gratitude to Mr. and Mrs. Chayal for their invaluable contribution to the programme. Their expertise and dedication greatly benefited our students and contributed to the success of the event.

**Question and Answer Session:** The programme concluded with an interactive question and answer session, allowing students to clarify doubts and seek further guidance from the trainers.

**Subject: Invitation to Online Seminar on Soft Skills**

Respected Ma'am,

We are delighted to invite you to an online seminar on "Soft Skills," organized by Modern College of Computer Science & Information Technology. This seminar is scheduled to take place on January 24, 2022, at 11:30 AM.

We are honored to have Dr. Nirmal Padmvat as our guest speaker for this event. Dr. Padmvat is renowned for his expertise in the field of soft skills development and his dynamic approach to teaching. His extensive knowledge and experience promise to provide invaluable insights and practical guidance to enhance personal and professional competencies.

This seminar aims to equip participants with essential soft skills that are crucial for effective communication, teamwork, and leadership in both academic and professional settings. Your presence will undoubtedly add to the success of this event, and we believe you will greatly benefit from the knowledge shared during the session.

We look forward to your participation in this enriching seminar.

**Subject: Appreciation to Online Seminar on Soft Skills**

Respected Ma'am,

On behalf of Modern College of Computer Science & Information Technology, I would like to express our sincere gratitude for your outstanding presentation during the online seminar on "Soft Skills," held on January 24, 2022.

Your seminar was exceptionally informative and engaging. The insights and practical advice you provided on essential soft skills were highly valuable and have made a significant impact on our students and faculty. Your ability to convey complex concepts in an accessible and relatable manner was truly commendable.

Thank you once again for dedicating your time and effort to make this seminar a success. We look forward to the possibility of future collaborations and learning opportunities with you.

Wishing you continued success in all your endeavors.

Warm regards,

Sincerely,

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## Report on Online Seminar on Soft Skill

### Executive Summary:

The online seminar on "Soft Skills" conducted by Assistant Professor Dr. Nirmal Padamavat from Nutan College, Selu, on February 24, 2022, at 12:00 PM was a highly informative and engaging event. The session aimed to enhance students' soft skills, including communication, teamwork, and leadership, essential for their academic and professional success. The event was well-received by students, who actively participated in the discussions and activities.

### Program Details:

- Date: January 24, 2022
- Time: 11:30 AM
- Presenter: Assistant Professor Dr. Nirmal Padarmavat from Nutan College, Selu

### Programme:

The programme included presentations by Dr. Nirmal Padamavat on various aspects of soft skills, interactive activities to practice and develop these skills, and a question-and-answer session

### Key Elements of Effective Communication:

- Clear and concise messaging.
- Engaging presentations and interactive activities.
- Encouragement of active participation and questions.

### Case Studies and Examples:

Case studies were presented to illustrate the importance of soft skills in real-life scenarios. Examples of effective communication, teamwork, and leadership were also shared to provide practical insights.

## Impact:

The session had a significant impact on students, who gained valuable insights into the importance of soft skills and how they can enhance their personal and professional lives. Many students expressed a desire to further develop their soft skills and apply them in their future endeavors.

## Future Initiatives:

Future initiatives include organizing similar sessions on soft skills with other guest speakers and incorporating soft skills training into the college curriculum.

## Acknowledgment:

We would like to acknowledge Assistant Professor Dr. Nirmal Padamavat for her valuable insights and engaging presentation. Special thanks to Nutan College, Selu, for their collaboration in organizing this event.

## Question and Answer Session:

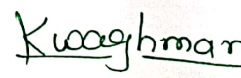

The event concluded with a lively question and answer session, where students had the opportunity to seek clarification and further information from Dr. Nirmal Padamavat.

## Conclusion:

In conclusion, the **online seminar on "Soft Skills"** was a valuable learning experience for students, providing them with practical skills and knowledge that will benefit them in their academic and professional journey.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## Report on One Day Seminar: Introduction to Responsive Web Design

### Executive Summary:

The one-day seminar on "Introduction to Responsive Web Design" by Prof. Ankush Surve from Tulsi College of Computer Science and Information Technology, Beed, held on June 6, 2022, at 11:00 am, was an enlightening session that provided valuable insights into the principles and practices of responsive web design. The lecture aimed to enhance students' understanding of modern web development techniques, emphasizing the importance of responsive design in today's digital landscape.

### Programme Details:

- Date: June 6, 2022
- Time: 11:00 am
- Speaker: Prof. Ankush Surve from Tulsi College of Computer Science and Information Technology, Beed
- Topic: Introduction to Responsive Web Design

### Programme Highlights:

- Prof. Ankush Surve's comprehensive explanation of responsive design principles.
- Interactive discussions on best practices and real-world examples.
- Practical insights into designing responsive websites.
- Q&A session allowing participants to clarify doubts and seek further information.

### Key Elements of Effective Communication:

- Clear explanation of concepts
- Engaging examples and demonstrations
- Encouragement of participant interaction

*K. Waghmare*

PARMITA EDUCATION SOCIETY

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad"

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

- Use of visual aids for better understanding

## Impact:

- Increased awareness and understanding of responsive web design principles.
- Enhanced skills in designing websites that adapt to various devices and screen sizes.
- Inspiration for further exploration and learning in web development.

## Future Initiatives:

- Follow-up workshops or seminars on advanced web design topics.
- Integration of responsive design principles into the curriculum.

## Acknowledgement:

We extend our gratitude to Prof. Ankush Surve for sharing his expertise and to all participants for their active engagement and interest in the topic.

## Questions & Answers Session:

Participants actively participated in the Q&A session, seeking clarifications on various aspects of responsive web design, demonstrating their keen interest and understanding of the topic.

## Conclusion:

The one day seminar on "Introduction to Responsive Web Design" was a resounding success, providing valuable insights and enhancing the skills of participants. Such initiatives play a crucial role in bridging the gap between theoretical knowledge and practical application, preparing students for future challenges in the field of web development.

## CIRCULAR

**Dear Students and Faculty Members,**

We are excited to announce an upcoming online seminar on "Blockchain Technology" scheduled for December 2, 2021, at 1:30 PM via Zoom. This seminar aims to provide valuable insights into the world of blockchain technology and its applications across various industries.

**Topic: Blockchain Technology**

**Date: December 2, 2021**

**Time: 1:30 PM**

Blockchain technology has emerged as a revolutionary force in recent years, offering secure and transparent solutions for various digital transactions. This seminar will explore the fundamentals of blockchain technology, its underlying principles, and its potential impact on different sectors such as finance, healthcare, supply chain management, and more.

We encourage everyone to join us for this informative session and explore the exciting world of blockchain technology. Don't miss out on this opportunity to expand your knowledge and stay updated on the latest trends in the industry.

**Subject: Appreciation for Your Contribution to the Online Workshop on "Blockchain Technology"**

**Dear Dr. Milind Tayade,**

On behalf of our College, I would like to extend our heartfelt gratitude for your invaluable contribution to the one-day online workshop on "Blockchain Technology" held on December 2, 2021, at 10:00 AM via Zoom.

Your expertise and insights on blockchain technology were incredibly valuable to our students. Your engaging presentation and depth of knowledge provided them with a comprehensive understanding of this innovative field. The practical examples and case studies you shared have inspired our students to explore the potential applications of blockchain technology in various industries.

We received overwhelmingly positive feedback from the attendees, who expressed their appreciation for the valuable insights gained from your session. Your dedication to sharing your expertise has undoubtedly made a significant impact on our students' learning journey.

Once again, thank you for accepting our invitation and for your commitment to the betterment of our students. We hope to have the opportunity to collaborate with you again in the future.

Warm regards,

*Kwaghmare*

Sincerely,

Principal

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2021-2022

## Report on Online Workshop: Block Chain Technology

### Executive Summary:

The workshop on Blockchain Technology, led by Dr. Milind Tayade, aimed to provide participants with a comprehensive understanding of blockchain technology and its applications. The program highlighted key elements of effective communication, discussed the impact of blockchain technology, and proposed future initiatives. Attendees engaged in interactive sessions and a dynamic Q&A session, gaining valuable insights into blockchain technology. The workshop concluded with a call to action for participants to explore further research and development in blockchain technology.

### Programme Details:

- Date: December 2, 2021
- Time: 10:00 am
- Venue: Online
- Guest Speaker: Dr. Milind Tayade
- Organizer: Modern College of Computer Science & Information Technology
- Topic: Blockchain Technology

### Programme Highlights:

- **Introduction to Blockchain Technology:** Dr. Tayade provided an overview of blockchain technology, explaining its fundamentals and principles.
- **Blockchain Architecture:** The workshop explored the architecture of blockchain networks, including nodes, blocks, and consensus algorithms.
- **Blockchain Applications:** Various applications of blockchain technology, such as cryptocurrency, supply chain management, and smart contracts, were discussed.

PARMITA EDUCATION SOCIETY

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **Blockchain Security:** The workshop highlighted the importance of blockchain security and best practices for securing blockchain networks.
- **Case Studies:** Case studies of successful blockchain implementations were presented, showcasing the practical applications of blockchain technology.
- **Hands-on Sessions:** Participants engaged in hands-on sessions, where they learned how to create and manage blockchain networks.
- **Interactive Discussions:** The workshop included interactive discussions, allowing participants to ask questions and share their insights.
- **Networking Opportunities:** Participants had the opportunity to network with experts and professionals in the blockchain field.
- **Career Guidance:** Dr. Tayade provided guidance on career opportunities in blockchain technology and how to pursue them.
- **Future Trends:** The workshop discussed future trends in blockchain technology, such as scalability and interoperability, and their implications.

### Key Elements of Effective Communication:

- **Clarity:** Ensuring clear and concise communication of complex blockchain concepts.
- **Engagement:** Engaging participants through interactive sessions and discussions.
- **Feedback:** Soliciting feedback from participants to improve communication strategies.
- **Adaptability:** Adapting communication style to suit the understanding levels of participants.
- **Consistency:** Maintaining consistent messaging throughout the workshop.

### Impact:

- **Increased Understanding:** Participants gained a deeper understanding of blockchain technology and its applications.
- **Skill Development:** Attendees developed practical skills in creating and managing blockchain networks.

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **Networking Opportunities:** Participants had the chance to network with experts and professionals in the blockchain field.
- **Problem-Solving Abilities:** The workshop enhanced participants' ability to solve real-world problems using blockchain technology.
- **Inspiration:** The workshop inspired participants to explore further research and development in blockchain technology.

### Future Initiatives:

- **Advanced Workshops:** Organize advanced workshops on specific aspects of blockchain technology.
- **Research Collaborations:** Facilitate research collaborations among participants for further exploration of blockchain technology.
- **Industry Partnerships:** Establish partnerships with industries to provide internship and job placement opportunities.
- **Skill Development Programs:** Offer skill development programs to enhance participants' employability in the blockchain field.
- **Continuing Education:** Provide continuing education opportunities for participants to stay updated with the latest trends in blockchain technology.

### Acknowledgements:

We extend our sincere thanks to Dr. Milind Tayade for his insightful session on blockchain technology. Special thanks to the organizing committee and participants for making this workshop a success.

**Questions & Answers Session:** The Q&A session was engaging, with participants asking insightful questions about blockchain technology and receiving valuable answers from Dr. Tayade. Topics included blockchain security, scalability, and future trends.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2021-2022

## Report - One Day Online seminar on Overcoming Procrastination

### Executive Summary:

The seminar on "Overcoming Procrastination" aimed to address the issue of procrastination among students and professionals. Guest speaker Prof. Dr. Sadashiv Pawar provided valuable insights into the root causes of procrastination and effective strategies to overcome it. The seminar emphasized the importance of effective time management and self-discipline in combating procrastination. Attendees gained practical tools and techniques to improve their productivity and achieve their goals.

### Programme Details:

- Date: September 23, 2021
- Time: 1:30 pm
- Venue: Online
- Guest Speaker: Prof. Dr. Sadashiv Pawar
- Organizer: Modern College of Computer Science & Information Technology
- Topic: Overcoming Procrastination

### Programme Highlights:

- **Introduction to Procrastination:** Prof. Dr. Sadashiv Pawar provided an overview of procrastination and its impact on academic and professional success.
- **Understanding Procrastination Triggers:** The seminar explored common triggers of procrastination and strategies to identify and address them.
- **Effective Time Management:** Attendees learned practical techniques for managing their time more effectively and avoiding procrastination.

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **Self-Discipline:** The importance of self-discipline in overcoming procrastination was emphasized, with practical tips for developing this skill.
- **Goal Setting:** Prof. Dr. Sadashiv Pawar discussed the role of goal setting in overcoming procrastination and shared strategies for setting and achieving goals.
- **Mindfulness and Focus:** The seminar touched upon the benefits of mindfulness and focused attention in reducing procrastination and improving productivity.
- **Overcoming Procrastination Habits:** Practical exercises and case studies were used to help participants identify and change procrastination habits.
- **Interactive Discussions:** Attendees had the opportunity to participate in interactive discussions and share their experiences with procrastination.
- **Practical Tools and Techniques:** Prof. Dr. Sadashiv Pawar provided attendees with practical tools and techniques to overcome procrastination in their daily lives.

#### Q&A Session:

The seminar concluded with a question and answer session, allowing participants to seek clarification on procrastination-related topics.

#### Key Elements of Effective Communication:

- **Clarity:** Prof. Dr. Sadashiv Pawar communicated clearly and effectively, ensuring that attendees understood the concepts discussed.
- **Engagement:** The seminar engaged participants through interactive activities and discussions, keeping them actively involved in the learning process.
- **Relevance:** The content was relevant to participants' experiences and provided practical solutions to common procrastination challenges.
- **Empathy:** Prof. Dr. Sadashiv Pawar demonstrated empathy towards participants struggling with procrastination, creating a supportive learning environment.
- **Feedback:** Attendees were encouraged to provide feedback on the seminar content and delivery, allowing for continuous improvement.

## Impact:

- Behavioral Change: Participants reported a positive change in their procrastination habits and expressed a commitment to implementing the strategies learned.
- Improved Productivity: Attendees reported an increase in productivity and a greater sense of accomplishment in their academic and professional tasks.
- Enhanced Time Management: The seminar helped participants improve their time management skills, leading to better task prioritization and completion.
- Increased Motivation: Participants felt more motivated to tackle challenging tasks and overcome procrastination barriers.
- Self-Awareness: Attendees gained a better understanding of their procrastination tendencies and learned how to address them effectively.

## Future Initiatives:

- Follow-Up Workshops: Organize follow-up workshops to provide ongoing support and reinforcement of procrastination-fighting strategies.
- Online Resources: Provide online resources and tools to help participants continue their journey of overcoming procrastination.
- Collaborations: Collaborate with other institutions and experts to offer a wider range of resources and perspectives on procrastination.
- Research: Conduct research on procrastination to further understand its causes and develop more effective intervention strategies.
- Community Building: Create a community of support for individuals looking to overcome procrastination, providing a platform for sharing experiences and tips.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## Report: One-Day Workshop on "Start-Up Dreams"

### Executive Summary

On January 6, 2022, a **one-day workshop titled "Start-Up Dreams"** was conducted at Modern College of Computer Science and Information Technology. The workshop featured Mr. Sunil Huske, a seasoned Placement Officer & Coordinator. The event aimed to inspire students with entrepreneurial aspirations and provide valuable insights into start-up culture, alongside discussing potential placement opportunities. The workshop covered key aspects of starting a business, the role of innovation, and the importance of effective communication in achieving entrepreneurial success. This report details the event, including program highlights, key elements of effective communication, the impact on participants, future initiatives, acknowledgments, and the overall conclusion.

### Programme Highlights

- Welcome and Introduction:** The event commenced at 12:15 PM with a warm welcome by the college principal, followed by an introduction of the guest speaker, Mr. Sunil Huske. His extensive experience in student placements and start-up consulting was highlighted.
- Keynote Address by Mr. Sunil Huske:** Mr. Huske delivered an inspiring keynote address, discussing the essentials of start-up culture, the challenges faced by new businesses, and the mindset required to succeed. He emphasized the importance of innovation and adaptability.
- Interactive Session:** The workshop included an interactive session where students asked questions about starting a business, securing funding, and navigating the early stages of a start-up.
- Placement Opportunities:** Mr. Huske provided insights into the current job market, highlighting industries with high demand for new talent. He discussed various placement opportunities available for students and the skills required to secure these positions.

5. **Networking and Q&A:** The event concluded with a networking session, allowing students to engage directly with Mr. Huske, ask further questions, and discuss their ideas and aspirations.

## Key Elements of Effective Communication

1. **Clarity and Precision:** Mr. Huske communicated complex concepts in a clear and concise manner, making them accessible to all attendees.
2. **Engagement and Interaction:** The interactive nature of the session encouraged student participation, fostering a dynamic learning environment.
3. **Use of Real-World Examples:** Mr. Huske used real-world examples to illustrate key points, making the concepts more relatable and easier to understand.
4. **Visual Aids:** The presentation included slides with visual aids, enhancing the understanding of key topics discussed.
5. **Encouragement of Open Dialogue:** Mr. Huske encouraged students to share their thoughts and ideas, promoting a culture of open dialogue and collaboration.

## Impact

1. **Enhanced Understanding of Start-Up Culture:** Students gained a deeper understanding of the start-up ecosystem, including the challenges and opportunities.
2. **Motivation and Inspiration:** The workshop inspired students to pursue entrepreneurial ventures and consider start-ups as a viable career option.
3. **Increased Awareness of Placement Opportunities:** The session provided valuable information about placement opportunities, helping students prepare for the job market.
4. **Skill Development:** Students learned about essential skills required in the start-up world, such as creativity, resilience, and networking.
