INVITATION LETTER

To

Prof Meghana Joshi,

ICEEM College, Aurangabad 431001.

I trust this letter finds you well. On behalf of our college, it is with great pleasure that we extend an invitation to you for a one-day online workshop on "Research Methodology."

Date: 24th February 2020 Time: 1:00 PM Platform: Zoom

The workshop aims to provide valuable guidance to both our esteemed faculty members and eager students on the intricacies of research methodology. Given your extensive experience and expertise in this field, your insights would be invaluable in enhancing the research capabilities of our academic community.

Your session is anticipated to cover essential aspects of research design, data collection, analysis, and interpretation, offering practical knowledge that will benefit both teachers and students alike.

We believe that your contribution will significantly enrich the learning experience for all participants. Your expertise aligns perfectly with the needs of our academic community, and we are confident that your guidance will leave a lasting impact.

We sincerely hope you can honour us with your presence and share your knowledge during this workshop. Kindly let us know if the proposed date and time are convenient for you.

Looking forward to your positive response and the prospect of collaborating for this insightful session.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2020-2021

Report on 'One-Day Online Workshop on "Research Methodology

Executive Summar:

The one-day online workshop on "Research Methodology" held at Modern College of Computer Science and Information on February 25, 2020, featuring Miss Meghana H Joshi as the guest speaker, was a comprehensive session that aimed to enhance the research skills of both students and staff members. This report provides a detailed overview of the workshop and its key components.

Programme Details:

Date: February 25, 2020

Time: 12:00 PM

Guest Speaker: Miss Meghana H Joshi

Topic: Research Methodology

Venue: Online Session

Programme Highlights:

Overview of research fundamentals

Practical insights into research design and methodologies

Application of ethical considerations in research

Hands-on exercises for participants

Key Elements of Effective Communication:

Miss Meghana H Joshi demonstrated effective communication through clarity, engagement, and the use of multimedia resources. Her presentation style facilitated understanding and encouraged active participation from the virtual audience.

Case Studies and Examples:

The workshop incorporated real-world case studies and examples, illustrating the application of research methodologies in various disciplines. These examples provided practical insights and context for participants to better comprehend the concepts discussed.

Impact:

The workshop had a significant impact on both students and staff members, enhancing their understanding of research methodologies and equipping them with practical skills to undertake high-quality research. Participants expressed increased confidence in approaching research projects.

Future Initiatives:

Modern College of Computer Science and Information is committed to organizing more workshops and online sessions on diverse topics to further enrich the knowledge and skills of its academic community. Future initiatives will include advanced research methodologies, interdisciplinary collaboration, and emerging trends in research.

Acknowledgment:

We extend our sincere gratitude to Miss Meghana H Joshi for her valuable contribution to the workshop. Her expertise and dedication greatly enriched the learning experience for all participants.

Question and Answer Session:

The interactive question and answer session allowed participants to seek clarification, share experiences, and engage in a meaningful dialogue with Miss Meghana H Joshi. This session facilitated a deeper understanding of research concepts.
