CIRCULAR

Dear Students & Staff members,

We are excited to inform you about the upcoming **Blood Donation Camp** organized under the Student Forum. Details of the event are as follows:

*Event: ** Blood Donation Camp

*Date: ** October 9, 2023

**Time: ** 1:00 PM

*Location: ** Our college premises

As part of this noble initiative, we encourage all students and staff to participate in this event. Your blood donation can save lives and make a significant difference in the community. To ensure the well-being of our donors, we will be distributing fresh fruits. We kindly request all donors to have some fruits after donating blood.

Your support and participation are highly appreciated. Let's come together to make this event a success and contribute to the welfare of our community.

We look forward to your active participation.

Sincerely, I/C Principal
Modern College of Computer Science & I.T.,
Principal. Aurangabad.

Topic/ Subject of the activity	BLOOD DONATION POGRAMME
Objective for conducting the Activity	• The primary objective of the Blood Donation Camp is to contribute to saving lives. By organizing this event, we aim to provide a platform for individuals to donate blood, a precious resource that can be a lifeline for patients in need of transfusions due to medical conditions, accidents, or surgeries. • We strive to raise awareness about the importance of regular blood donation and its critical role in healthcare. Many people are unaware of the constant need for donated blood. This camp serves as an educational opportunity to inform the community about the significance of voluntary blood donation. • We aim to build a culture of voluntary blood donation within our college and the broader community. By fostering a sense of responsibility and altruism among our students and staff, we hope to encourage regular blood donation among them. • By collaborating with Civil Hospital for this event, we extend our support to a critical healthcare institution. The donated blood will be used to assist patients in the hospital, and our

	participation is a testament to our commitment to our community. • Through this event, we emphasize the importance of maintaining good health and well-being. Donating blood is a selfless act that also highlights the significance of a healthy lifestyle.

Outcome	• The Blood Donation Camp, held in collaboration with the Civil Hospital, witnessed an overwhelming response from the college community and beyond, resulting in a substantial collection of blood units. • The voluntary blood donations made at the camp significantly contributed to the blood bank's supply, ensuring that the hospital could meet the needs of patients effectively. • The event strengthened the bond between Tulsi College of Computer Science and Information Technology and the Civil Hospital, fostering a sense of unity and collaboration for future health initiatives. • The selfless act of blood donation exemplified the spirit of service and community support, with the potential to save numerous lives in times of need.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

Report on 'Blood Donation' Camp

SEAL

Executive Summary:

The Blood Donation Camp, a collaborative initiative between Tulsi College of Computer Science and Information Technology and the Civil Hospital, took place on October 9, 2023. This program aimed to promote voluntary blood donation among students and the community, while also contributing to the local blood bank's stock.

Program Details:

Date: October 9, 2023

Time: 1:00 PM

Organizer: Civil Hospital

Program Highlights:

Generous Donations: The event attracted a significant number of voluntary blood donors from the college and the surrounding community, resulting in an impressive collection of blood units.

Community Collaboration: The collaboration with the Civil Hospital enhanced the event's credibility and allowed for efficient management of the donation process.

Health Education: The event included informative sessions on the importance of blood donation, creating awareness and dispelling myths related to the process.

Impact:

A substantial quantity of blood units was collected, which could potentially save many lives in critical situations.

The event fostered a sense of community responsibility and solidarity.

SEAL

Future Initiatives:

The success of this event has encouraged the college and the Civil Hospital to plan future health-related initiatives, including more blood donation drives and health awareness programs.

Acknowledgment:

We extend our heartfelt thanks to the Civil Hospital for their support and collaboration in making this event a success. We also appreciate the enthusiasm and selflessness of the donors who made this initiative a significant accomplishment.

Conclusion:

The Blood Donation Camp was a resounding success, with the college community and local residents joining hands to contribute to this noble cause. The event exemplified the spirit of altruism and community support, underscoring the importance of such initiatives for the well-being of society. We look forward to organizing more such events in the future to continue making a positive impact on our community.

To

The Blood Bank Incharge,

Government Medical College and Hospital,

Aurangabad, 431001.

Dear Sir/Madam,

I hope this letter finds you in good health and high spirits. I am writing to express my heartfelt gratitude to the Government Medical College and Hospital, Aurangabad, for their invaluable support in organizing a **blood donation camp** on behalf of the **Modern College of Computer Science and Information Technology.**

The blood donation camp, which took place on **9 October 2023,** was a resounding success, and this achievement would not have been possible without the generous cooperation and assistance extended by your esteemed institution. It is truly heartening to witness such a spirit of community and collaboration in our society.

I would like to extend my sincere thanks to the dedicated medical professionals, staff, and volunteers who worked tirelessly to ensure the success of this noble endeavor. Their commitment to the cause of saving lives through blood donation is commendable, and their selfless service is an inspiration to all.

Once again, I would like to convey our sincere appreciation to the Government Medical College and Hospital, Aurangabad, for their unwavering support and collaboration in this noble cause. We look forward to the possibility of working together on more such initiatives in the future to serve our community better.

Thank you for being an integral part of this endeavor, and please extend our heartfelt gratitude to all those who contributed to the success of the blood donation camp.

Yours sincerely,

Principal

Dear Students and Staff Members,

In commemoration of World AIDS Day, Modern College of Computer Science and Information Technology invites all students and staff to join us for a special event.

Topic: World AIDS Day Celebration - Documentary Screening and Red Ribbon Day

Date: 1st December 2023 **Timing:** 12:00 PM

As part of our commitment to raising awareness about HIV/AIDS, we will be showing a documentary movie that sheds light on the impact of AIDS and the importance of awareness and prevention. Additionally, we encourage everyone to wear a red ribbon to show support for those affected by HIV/AIDS.

Let's come together as a community to learn, raise awareness, and show solidarity on this significant day.

Your presence is highly appreciated.

Best Regards,

ORGANIZED A PROGRAMME ON WORLD AIDS DAY

Modern College of Computer Science & I.T. SEAL Aurangabad

Basic Details: Programme on 'World AIDS Day'

Date	Faculty	Department/committee	Coordinator Name & Phone no.
01 December 2023	Dr Asmita Sharad Salve	Dr Asmita Sharad Salve	Dr Asmita Sharad Salve
	Dr Sonal Ubale	Dr Sonal Ubale	7758015602
	Prof Jyoti S More	Prof Jyoti S More	

Topic/ Subject of the activity	World AIDS Day : Documentary Movie & Red Ribbon
Objective for conducting the Activity	• Increase awareness and understanding of HIV/AIDS among students and staff members, fostering a sense of responsibility and empathy. • Educate the community about preventive measures, emphasizing the significance of safe practices and health awareness to reduce the spread of HIV. • Challenge and diminish the stigma associated with HIV/AIDS by promoting open discussions and creating a supportive environment. • Demonstrate unity and support for individuals affected by HIV/AIDS, emphasizing the importance of compassion and solidarity in overcoming challenges. • Encourage regular HIV testing by highlighting the benefits of early detection and the importance of knowing one's status. • Promote responsible behavior and decision-making, emphasizing the role of informed choices in preventing the transmission of HIV.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

	• Showcase the global impact of HIV/AIDS, emphasizing that it is a collective responsibility to address the challenges associated with this global health issue. • Inspire a sense of activism by encouraging students and staff to actively engage in campaigns and activities related to HIV/AIDS awareness beyond the designated day. • Promote access to support services for individuals living with HIV/AIDS and their families, fostering a community that is informed and supportive. • Contribute to creating a health-conscious campus environment where students and staff prioritize their well-being and that of their peers.
Outcome	• The documentary movie effectively conveyed information about HIV/AIDS, leading to heightened awareness among students and staff members regarding the impact and prevention of the disease. • The activity successfully educated participants on preventive measures, promoting a better understanding of safe practices and health awareness in relation to HIV/AIDS. • Open discussions during the event contributed to reducing the stigma associated with HIV/AIDS, fostering an environment where individuals felt more comfortable addressing and discussing the topic. • The distribution of red ribbons and the collective participation in the event demonstrated a strong sense of community solidarity, showcasing support for those affected by HIV/AIDS.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

- Emphasis on the importance of regular HIV testing during the event encouraged individuals to consider and prioritize their health by seeking testing services.
- Discussions and awareness initiatives during the World AIDS Day celebration contributed to promoting responsible behavior, encouraging individuals to make informed choices to prevent the transmission of HIV.
- The event successfully highlighted the global impact of HIV/AIDS, fostering a sense of shared responsibility and awareness of the broader implications of the disease.
- The activity inspired a sense of activism among participants, encouraging ongoing engagement in campaigns and activities related to HIV/AIDS awareness beyond the specific event.
- Increased awareness led to a better understanding of support services available for individuals living with HIV/AIDS and their families, creating a more informed and supportive community.
- The World AIDS Day activity contributed to fostering a health-conscious campus environment, where students and staff prioritized their well-being and engaged in discussions and activities that promoted overall health.

ACTIVITY ORGANISED REPORT ACADEMIC YEAR 2023-2024

Report on World AIDS Day

Executive Summary:

Modern College of Computer Science and Information commemorated World AIDS Day on December 1, 2023, with a special event featuring a documentary screening and Red Ribbon Day. The objective was to raise awareness, educate, and promote solidarity among students regarding HIV/AIDS. This report encapsulates the key aspects and outcomes of the celebration.

Programme Details:

- **Time:** 12:00 PM
- **Event:** World AIDS Day Celebration - Documentary Screening and Red Ribbon Day

Programme Highlights:

1. **Documentary Screening:** A thought-provoking documentary on HIV/AIDS was screened, providing valuable insights into the impact and prevention of the disease.
2. **Red Ribbon Day:** Students actively participated in Red Ribbon Day, symbolizing support for individuals affected by HIV/AIDS and promoting awareness.
3. **Interactive Activities:** Engaging activities and discussions were incorporated to encourage active participation and reflection.

Key Elements of Effective Communication:

- **Clarity and Relevance:** Information was communicated clearly and directly, ensuring that students grasped the relevance of the content.
- **Engagement Techniques:** Various engagement techniques, including discussions and interactive elements, kept participants involved throughout the event.
- **Visual Aids:** The use of visual aids enhanced the effectiveness of communication, providing a visual context for complex information.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

SEAL

Case Studies and Examples:

- Real-life case studies were presented, illustrating the impact of HIV/AIDS on individuals and communities.

Impact:

1. **Increased Awareness:** The event significantly increased awareness among students about the prevalence, prevention, and impact of HIV/AIDS.
2. **Empowered Students:** Participants felt empowered to take proactive steps in promoting awareness and dispelling myths related to HIV/AIDS.
3. **Community Solidarity:** Red Ribbon Day fostered a sense of community solidarity, demonstrating support for those affected by HIV/AIDS.

Future Initiatives:

- Plans are underway to conduct regular awareness sessions on health-related topics, with a focus on promoting a healthier campus environment.

Acknowledgment:

The college extends sincere appreciation to all participants, guest speakers, and volunteers who contributed to the success of the World AIDS Day celebration.

Question and Answer Session:

An interactive Q&A session allowed students to seek clarification, share personal experiences, and engage in meaningful discussions.

CIRCULAR

Dear Students & Staff Members,

Join us as we embark on a mission to make a cleaner and healthier environment. We will be visiting the village of "Ghardon Tanda" to engage in cleaning and sanitation activities.

Your active participation is essential in our efforts to promote Swachhata (cleanliness) and create a positive impact on the village. On October 17, 2023, Time: 11:30 AM

Let's come together for a cleaner tomorrow!

Report on 'Swachhata Abhiyan' Programme

Executive Summary: The Swachhata Abhiyan Programme organized by the Student Forum of Tulsi College of Computer Science and Information Technology was a transformative initiative aimed at promoting cleanliness and sanitation in the village of Ghardon Tanda. The program engaged students, faculty, and community members in various cleanliness activities, leaving a lasting impact on the villages overall cleanliness and hygiene standards.

Programme Details:

Date: October 17, 2023

Time: 11:30 AM

Location: Ghardon Tanda

Programme Highlights:

Cleanliness Drive: Students actively participated in a cleanliness drive within Ghardon Tanda, focusing on waste disposal, litter collection, and public area cleaning.

Awareness Campaign: An awareness campaign was conducted to educate villagers about the importance of cleanliness, sanitation, and hygiene.

Tree Plantation: In addition to cleanliness efforts, a tree plantation drive was organized to contribute to environmental sustainability.

Health Camp: A health camp was set up to provide basic healthcare services to the villagers, including check-ups, awareness about common diseases, and distribution of hygiene kits.

Collaboration: The program involved collaboration with local authorities, NGOs, and community leaders to maximize its reach and impact.

Principal

SEAL

mpact:

Improved Cleanliness: The village of Ghardon Tanda witnessed a significant improvement in cleanliness and hygiene standards due to the efforts of the Swachhata Abhiyan Programme.

Health Awareness: The awareness campaign and health camp contributed to increased health awareness among the villagers.

Environmental Benefit: Tree plantation added to the environmental sustainability of the village.

Community Empowerment: The program empowered the local community to actively participate in maintaining cleanliness and taking responsibility for their surroundings.

Future Initiatives:

The Student Forum plans to conduct periodic follow-up drives to ensure the sustainability of cleanliness efforts in Ghardon Tanda.

Collaborations with local organizations and authorities will continue to strengthen the impact of such programs.

Acknowledgment: The success of the Swachhata Abhiyan Programme would not have been possible without the support and participation of students, faculty, community members, local authorities, and organizations. We express our heartfelt gratitude to all those who contributed to this initiative.

Conclusion: The Swachhata Abhiyan Programme was a remarkable effort to transform Ghardon Tanda into a cleaner and healthier village. The Student Forum remains committed to future endeavors that will contribute to the well-being and progress of our society.

Topic/ Subject of the activity	Programme on ' Clean River'
Objective for conducting the Activity	• To actively contribute to the preservation and conservation of the natural environment by cleaning up and maintaining the cleanliness of the Kham River. • To engage the college community in a hands-on environmental initiative that fosters a sense of responsibility and active citizenship. • To raise awareness among students and the community about the importance of clean rivers, pollution prevention, and sustainable environmental practices. • To create a healthier and safer environment for the local community who rely on the river for various purposes such as bathing, washing, and recreation. • To promote eco-friendly behaviours and encourage responsible waste disposal to prevent further pollution of the river. • To promote teamwork, unity, and a sense of collective responsibility among students, faculty, and volunteers in achieving a common environmental goal. • To inspire students to become environmental stewards who actively contribute to the betterment of their surroundings and the planet. • To enhance the aesthetics of the Kham River area, making it a cleaner and more appealing place for everyone.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

Outcome	• The immediate outcome is a cleaner and healthier Kham River, with reduced pollution and improved water quality. • Participants and the local community become more aware of the importance of clean rivers, environmental conservation, and the consequences of pollution. • The event fosters a sense of community engagement and responsibility as students, faculty, and volunteers actively participate in the clean-up. • It promotes positive behavioural changes related to responsible waste disposal and eco-friendly practices among participants and the community. • The river becomes a safer and more hygienic place for local residents who rely on it for various purposes like bathing and washing. • Participants are inspired to take further environmental action, both individually and collectively, to protect their natural surroundings. • The activity encourages teamwork and unity among participants, strengthening their sense of shared responsibility. • The Kham River area experiences aesthetic improvement, making it a more attractive and pleasant place for all. • It serves as an educational experience, teaching participants about practical environmental conservation and the importance of community involvement. • The initiative enhances the college's and Student Forum's reputation in the community as responsible and environmentally conscious entities. • The clean-up sets the stage for ongoing efforts to maintain the cleanliness of the Kham River and encourages sustainable practices among participants and the community.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

Report on 'Clear River' Programme

Executive Summary:

The "Clean River" initiative, organized by the Student Forum of Modern College of Computer Science and Information Technology at the Kham River in Aurangabad on 30th September 2023 at 02:00 PM, was a resounding success. This program aimed to actively contribute to environmental conservation, raise awareness about clean rivers, and promote responsible waste disposal practices.

Programme Details:

Date and Time: 30th September 2023, 02:00 PM

Location: Kham River, Aurangabad

Objective: To clean the Kham River, promote environmental awareness, and engage the college community in responsible environmental practices.

Participants: Students, Faculty Members, Volunteers, and Local Community Members.

Programme Highlights:

River Clean-up: The focal point of the event was the extensive clean-up of the Kham River. Participants worked tirelessly to remove litter and waste, significantly improving the river's cleanliness.

Community Engagement: The event fostered community engagement, with active participation from students, faculty, volunteers, and local residents, creating a sense of shared responsibility.

Hygiene and Health: The clean-up contributed to a safer and healthier environment for local residents who use the river for daily activities like bathing and washing.

Behavioural Change: Participants and community members embraced responsible waste disposal and eco-friendly practices, pledging to reduce pollution.

Singare

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

Unity and Teamwork: The clean-up promoted teamwork and unity among participants, emphasizing the importance of collective efforts in preserving the environment.

Impact:

The "Clean River" programme had a profound impact:

Cleaner Environment: The Kham River experienced an immediate improvement in cleanliness and water quality.

Environmental Awareness: Participants and the local community gained a heightened awareness of the importance of clean rivers and responsible environmental practices.

Community Cohesion: The event brought the community together, strengthening bonds and promoting shared responsibility.

Behavioural Change: Positive behavioural changes related to waste disposal and eco-friendly practices were observed among participants and community members.

Future Initiatives:

We are committed to building on the success of this programme by organizing more initiatives that promote environmental awareness, community engagement, and responsible environmental stewardship.

Acknowledgments:

We extend our heartfelt gratitude to all participants, including students, faculty members, volunteers, and local community members, for their dedication and enthusiasm in making the "Clean River" programme a resounding success.

We also thank the college administration for their support in conducting this vital environmental initiative.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Topic/ Subject of the activity	Green Revolution: Towards a Plastic Bag Free City
Objective for conducting the Activity	• To raise awareness about the harmful effects of plastic bags on the environment, wildlife, and human health. • To encourage the community to reduce the use of plastic bags and adopt eco-friendly alternatives. • To promote the use of reusable bags and sustainable practices among residents and businesses. • To engage the community in a collective effort to make the city free from plastic bags. • To educate residents, especially students, about the importance of reducing plastic waste and its impact on the environment. • To advocate for policies and regulations that promote the use of eco-friendly alternatives to plastic bags. • To promote a shift in consumer behavior towards more sustainable choices and practices.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

	• To build partnerships with local businesses, organizations, and government agencies to support the initiative. • To create a lasting impact by establishing a culture of sustainability and environmental consciousness in the community. • To inspire other cities and communities to follow suit and work towards becoming plastic bag free.
Outcome	• The initiative significantly reduced the use of plastic bags in the city, leading to a visible decrease in plastic pollution and its harmful effects on the environment. • The campaign successfully engaged the community, raising awareness about the importance of reducing plastic waste and encouraging the use of eco-friendly alternatives. • The initiative brought about a positive change in consumer behavior, with many residents and businesses opting for reusable bags and adopting more sustainable practices. • The success of the campaign influenced local policies and regulations, leading to the implementation of measures to reduce plastic bag usage and promote environmentally friendly practices. • The initiative had a lasting educational impact, with residents, especially students, gaining a better understanding of the environmental impact of plastic bags and the importance of sustainable living. • The campaign fostered partnerships between local businesses, organizations, and government agencies, creating a strong network of support for sustainable initiatives.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

Report- Greening Our City: A Plastic Bag-Free Initiative

Executive Summary:

On August 15, 2023, Modern College of Computer Science & Information Technology organized an event titled "Plastic Bag Free City" in the nearby area of our college. The event aimed to raise awareness about the harmful effects of plastic bags on the environment and promote the use of eco-friendly alternatives. Through various activities and initiatives, the event sought to inspire behavioral change and encourage sustainable practices among the community.

Program Details:

- Date: August 15, 2023
- Time: 10:00 AM
- Venue: Near Modern College of Computer Science & Information Technology

Program Highlights:

- **Flag Hoisting Ceremony:** The event began with the hoisting of the national flag, symbolizing our commitment to a cleaner and greener environment.
- **Guest Speaker Addresses:** Esteemed guests and environmental experts delivered speeches highlighting the importance of reducing plastic waste and promoting sustainable living.
- **Awareness Walk:** Participants took part in an awareness walk, carrying banners and posters with messages promoting the use of reusable bags.
- **Distribution of Eco-friendly Bags:** Eco-friendly bags were distributed to participants to encourage them to switch from plastic bags.

Key Elements of Effective Communication:

- **Clear Messaging:** Messages about the environmental impact of plastic bags and the importance of sustainable living were communicated clearly to participants.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

- **Engagement:** Participants were actively engaged through interactive workshops, awareness walks, and pledge-taking activities.
- **Education:** The event served as an educational platform, providing participants with information and resources to make informed decisions about reducing plastic waste.

Impact:

Behavioral Change: The event inspired many participants to switch to reusable bags and adopt more sustainable practices in their daily lives.

Community Awareness: The event raised awareness about the environmental impact of plastic bags among the community, leading to a more conscious effort to reduce plastic waste.

Policy Influence: The success of the event influenced local policies and regulations, leading to the implementation of measures to reduce plastic bag usage in the city.

Future Initiatives:

- **Continued Advocacy:** The College plans to continue advocating for a plastic bag free city through awareness campaigns and community engagement initiatives.
- **Partnerships:** The College will seek to build partnerships with local businesses and organizations to promote the use of eco-friendly alternatives to plastic bags.
- **Acknowledgements:** The College extends its gratitude to all participants, guests, and volunteers for their support and contribution to making the event a success.

Conclusion:

The "Plastic Bag Free City" event was a significant step towards promoting environmental. conservation and sustainability. It showcased the collective efforts of the college and the community in working towards a cleaner and greener future.

Dear Students & Staff Members,

We are pleased to inform you about the "Road Safety" programme organized by our dedicated Student Forum. On 23rd August 2023, at 09:00 AM, our students will be actively participating in a road safety awareness campaign. They will distribute roses to people at signals, advocating for responsible driving practices, including wearing helmets and refraining from using mobile phones while driving.

Join us in promoting road safety and making our streets safer for all!

Thank you for your participation and support.

Sincerely,

I/C Principal

ORGANIZATION OF 'ROAD SAFETY' PROGRAMME

Basic Details: International 'ROAD SAFETY' Programme

Date	Faculty	Department/committee	Coordinator Name & Phone no.
23 August 2023	Dr Asmita Sharad Salve	Dr Asmita Sharad Salve	Dr Asmita Sharad Salve
	Dr Sonal Ubale	Dr Sonal Ubale	7758015602
	Prof Jyoti S More	Prof Jyoti S More	

Topic/ Subject of the activity	International 'Road Safety' Programme
Objective for conducting the Activity	• To raise awareness among motorists and pedestrians about the importance of road safety and the hazards associated with reckless driving and mobile phone use while driving. • Encourage individuals to change their driving habits by emphasizing the importance of wearing helmets and refraining from using mobile phones while driving. • Engage the local community in a positive and non-intrusive manner to promote road safety, fostering a sense of shared responsibility. • The distribution of roses serves as a symbolic gesture of goodwill and a reminder of the importance of valuing one's safety and the safety of others on the road. • Inspire participants and onlookers to become advocates for road safety by spreading the message and promoting responsible driving practices within their social circles.

Aurangabad.

Scanned with OKEN Scanner

SEAL

Outcome	• Many individuals were inspired to change their behaviour by pledging to wear helmets and avoid using mobile phones while driving. This indicated a shift towards safer driving habits. • The approach of distributing roses was well-received by the local community. It fostered positive engagement and conversations about road safety, creating a sense of shared responsibility among participants. • The distribution of roses served as a powerful and memorable symbol of road safety. It acted as a visual reminder of the importance of valuing one's safety and the safety of others on the road. • Participants and onlookers became advocates for road safety, spreading the message and promoting responsible driving practices within their social circles and communities. • The activity had a broader impact on the community by promoting a culture of road safety, potentially leading to safer roads and reduced accidents in the area.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

SEAL

Report on Road Safety

Executive Summary:

The "Road Safety" programme organized by the Student Forum of Modern College of Computer Science and Information Technology on 23rd August 2023 was a commendable initiative. The primary focus of this programme was to raise awareness about road safety and promote responsible driving practices, including wearing helmets and refraining from using mobile phones while driving. The method employed involved the distribution of roses to individuals at traffic signals, serving as a symbolic reminder of these crucial road safety practices.

Programme Details:

Date and Time: 23rd August 2023, 09:00 AM

Objective: To create awareness about road safety, emphasizing the use of helmets and discouraging mobile phone usage while driving.

Participants: Students, Faculty Members, and Volunteers.

Programme Highlights:

Roses Distribution: The heart of the programme was the distribution of roses to individuals at traffic signals. This thoughtful gesture was intended to engage with the local community and communicate the importance of road safety.

Awareness Messages: Along with roses, informational pamphlets and banners were distributed, carrying messages about wearing helmets and refraining from mobile phone use while driving. These materials further reinforced the message.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

Interactive Campaign: Participants engaged with commuters and pedestrians, initiating conversations about road safety. This interactive approach facilitated open discussions and made the awareness campaign more impactful.

Pledge for Safety: A pledge ceremony was held, where attendees could publicly commit to adhering to road safety practices, including helmet usage and avoiding mobile phone distractions.

Impact:

The "Road Safety" programme had a significant impact:

Awareness Creation: The activity successfully raised awareness among participants and the local community about the importance of road safety practices.

Behavioral Change: Many individuals expressed a commitment to wearing helmets and not using mobile phones while driving, indicating a potential shift in behavior towards safer practices.

Community Engagement: The programme fostered positive community engagement and discussions about road safety, creating a sense of shared responsibility.

Future Initiatives:

Building on the success of this programme, we intend to organize more initiatives aimed at road safety and responsible driving practices. Future activities may include workshops, safety drives, and collaborative efforts with local authorities.

Acknowledgments:

We extend our sincere gratitude to all participants, including students, faculty members, and volunteers, who contributed to the success of the "Road Safety" programme. Your dedication to promoting road safety is commendable.

We also thank the college administration for their support and encouragement in organizing impactful initiatives.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

SEAL

Conclusion:

The "Road Safety" programme effectively achieved its objectives by raising awareness, inspiring behavioural change, fostering community engagement, and encouraging advocacy for responsible road safety practices. These positive outcomes are indicative of the impact of collective action in addressing road safety concerns and promoting safer roads for all.

	• Advocate for policy changes and initiatives that support and protect the rights of girls, including access to education, healthcare, and protection from discrimination and violence.
Outcome	• The rally successfully raises awareness about the critical issues faced by girl children, such as gender discrimination, female foeticide, and female infanticide. It informs the community about the importance of addressing these challenges. • The rally fosters community engagement and participation, encouraging individuals to actively support and promote the cause of saving girl children. • The rally inspires and empowers girls to recognize their potential and the importance of their rights. It encourages them to pursue education, personal development, and their chosen careers without fear of discrimination. • Participants and onlookers become advocates for girls' rights and gender equality, spreading the message and promoting positive change within their communities. • The rally promotes the message of gender equality, highlighting the significance of treating girls with the same opportunities, respect, and dignity as boys. • The rally can have a broader impact by influencing policy changes and initiatives that support and protect the rights of girls, leading to improvements in areas such as access to education, healthcare, and protection from discrimination and violence. • The rally inspires hope and optimism among girls, encouraging them to dream big, pursue their aspirations, and become confident contributors to society.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

Report on 'Save Girl Child' Programme

Executive Summary:

The "SAVE GIRL CHILD" programme organized by the Student Forum of Modern College of Computer Science and Information Technology on 13th September 2023 was a significant and impactful event. The central theme of this programme was to raise awareness about the rights, well-being, and equality of girls in society. The primary activity was a spirited rally, aimed at advocating for the cause of saving girl children.

Programme Details:

Date and Time: 13th September 2023, 1:00 PM

Objective: To raise awareness and advocate for the rights, well-being, and equality of girls in society.

Participants: Students, Faculty Members, Volunteers, and Local Community Members.

Programme Highlights:

Rally: The highlight of the programme was a vibrant and enthusiastic rally that passed through the college campus and the surrounding areas. Participants carried placards and banners advocating for the importance of saving girl children.

Awareness Messages: During the rally, participants distributed informational pamphlets and engaged with the community to educate them about the challenges faced by girl children, emphasizing the importance of their rights and well-being.

Community Engagement: The rally engaged the local community, encouraging them to actively participate in supporting and promoting the cause of saving girl children. It fostered open discussions about gender equality.

A Singare
Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

Empowerment: The event inspired and empowered girls to believe in their potential and the significance of their rights. It encouraged them to pursue education, personal development, and their chosen careers without fear of discrimination.

Advocacy: Participants and onlookers became advocates for girls' rights and gender equality, spreading the message and promoting positive change within their communities.

Impact:

The "SAVE GIRL CHILD" programme had a substantial impact:

Awareness Creation: The programme successfully raised awareness about the critical issues faced by girl children and the importance of addressing these challenges.

Empowerment: Girls were inspired and empowered to recognize their potential and the importance of their rights.

Community Engagement: The rally fostered community engagement and participation, encouraging individuals to actively support and promote the cause.

Future Initiatives:

Building on the success of this programme, we plan to organize more initiatives aimed at girls' rights, gender equality, and advocacy for the well-being of girl children.

Acknowledgments:

We extend our heartfelt gratitude to all participants, including students, faculty members, volunteers, and community members, who contributed to the success of the "SAVE GIRL CHILD" programme. Your dedication to this vital cause is commendable.

We also thank the college administration for their support and encouragement in organizing impactful initiatives.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023 2023

Report Workshop on: Aapli Mati Apladesh" Oath Ceremony

Executive Summary

The **"Aapli Mati Apladesh"** oath ceremony, held on September 15, 2023, at 8:00 AM, at Vikramshila College of Computer Science & Information Technology. The ceremony aimed to promote civic responsibility, foster patriotism, enhance community bonding, raise awareness, and encourage participation among students, teachers, and staff. The event was a significant success, achieving its objectives and leaving a positive impact on the participants.

Programme Details

- Date: September 15, 2023
- Time: 8:00 AM
- Venue: Vikramshila College of Fashion Design
- Participants: Teachers, staff, and students of Modern College of Computer Science & Information Technology
- Organizers: Event Coordination Team, Modern College of Computer Science & Information Technology

Programme Highlights

- Assembling and Departure: Participants gathered at the college premises at 7:00 AM and departed for Vikramshila College of Fashion Design
- Oath Ceremony: The ceremony began with an introduction followed by the oath-taking, led by the college principal and attended by all participants.
- Speeches and Presentations: Inspirational speeches were delivered, highlighting the importance of civic responsibility and patriotism.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

- **Cultural Performances:** Students presented cultural performances showcasing the rich heritage of the country.
- **Interactive Sessions:** Interactive sessions were conducted to engage participants in discussions about citizenship and social responsibility.
- **Refreshments and Socializing:** Participants enjoyed refreshments and engaged in socializing, strengthening bonds within the college community.
- **Return Journey:** Participants returned to the college premises by 1:00 PM, concluding the event.

Key Elements of Effective Communication

- **Clear Communication:** Detailed information about the event, including the schedule and expectations, was communicated well in advance.
- **Engagement:** Interactive sessions and cultural performances kept participants engaged and interested throughout the event.
- **Feedback Mechanism:** A feedback mechanism was in place to gather suggestions and opinions from participants for future improvement.
- **Accessibility:** Communication channels were kept open for participants to ask questions or seek clarification at any point.

Impact

The "Aapli Mati Apladesh" oath ceremony had a significant impact on the participants:

- **Enhanced Civic Awareness:** Participants developed a better understanding of their role and responsibilities as citizens.
- **Increased Patriotism:** The ceremony instilled a deeper sense of patriotism and pride in the country among participants.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

- **Improved Community Bonding:** The event strengthened bonds within the college community, fostering a sense of unity and togetherness.
- **Encouraged Social Responsibility:** Participants were motivated to take up social causes and contribute positively to society.
- **Educational Value:** The event provided an educational experience that extended beyond the classroom, teaching important values and principles of citizenship.

Future Initiatives

- Based on the success of this event, the following future initiatives are proposed:\Regular Oath Ceremonies: Organize similar oath ceremonies annually to reinforce the values of civic responsibility and patriotism.
- Community Outreach Programs: Initiate programs that involve students in community service and social welfare activities.
- Cultural Exchange Programs: Organize cultural exchange programs to promote understanding and appreciation of different cultures,
- Educational Workshops: Conduct workshops on citizenship and social responsibility to further educate students on these topics.

Acknowledgment

We extend our heartfelt gratitude to the following:

- Organizing Committee: For their dedication and hard work in planning and executing the event.
- Participants: For their enthusiastic participation and engagement throughout the event.
- Vikramshila College of Fashion Design: For hosting the event and providing support and cooperation.

Principal
Modern College of Computer Science & I.T.,

3. Departmental Reports:

- Computer Science: Overview of departmental activities, student projects, and faculty achievements.
- Information Technology: Highlighting innovative teaching methods, student engagement, and research contributions.

4.Strategic Planning:

- Goals for Next Year: Setting academic and administrative goals for the upcoming year.
- Resource Allocation: Discussion on budget allocation and resource planning for future projects.

5.Interactive Sessions:

- Q&A: Engaging Q&A session where attendees posed questions and shared feedback.
- Group Discussions: Breakout sessions for in-depth discussions on specific topics like curriculum development and faculty development programs.

Key Elements of Effective Communication

1.Clarity:

- Clear Objectives: Defining clear meeting objectives and communicating them effectively to all attendees.
- Concise Presentations: Ensuring presentations were concise and to the point, avoiding unnecessary jargon.

2.Engagement:

- Interactive Elements: Incorporating interactive elements like Q&A sessions and group discussions to keep attendees engaged.
- Visual Aids: Using visual aids such as slides and charts to enhance understanding and retention.

ORGANIZED A POSTER MAKING COMPETITION ON 'SAVE WATER'

Basic Details: Poster Making Competition on 'SAVE WATER'

Date	Faculty	Department/committee	Coordinator Name & Phone no.
23 September 2023	Dr Asmita Sharad Salve	Dr Asmita Sharad Salve	Dr Asmita Sharad Salve
	Dr Sonal Ubale	Dr Sonal Ubale	7758015602
	Prof Jyoti S More	Prof Jyoti S More	

Topic/ Subject of the activity	**Poster Making Competition on 'Save Water'**
Objective for conducting the Activity	• To raise awareness among students and the college community about the critical importance of water conservation and the need for responsible water use. • To utilize the power of visual art and design to effectively convey the message of saving water, making it more engaging and accessible to a wide audience. • To provide students with a creative platform to express their ideas and concerns about water conservation through artistic and visual means. • To use the process of creating posters as an educational opportunity, allowing participants to research and understand the issues related to water scarcity and conservation. • To inspire participants and viewers to take concrete actions in their daily lives to reduce water wastage and promote responsible water use. • To engage students and the college community in a collective effort to promote water conservation, fostering a sense of shared responsibility. • To encourage participants to become advocates for water conservation, promoting the cause within the college and their broader communities. • To encourage healthy competition among participants while fostering collaboration and teamwork in the creation of impactful posters. • To initiate a long-lasting change in behavior, where participants and viewers continue to prioritize water conservation as part of their daily lives.

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

Outcome	• Participants and viewers gain a heightened awareness of the importance of water conservation and responsible water use through the visual impact of the posters. • The creative posters effectively convey the message of saving water, capturing the attention and imagination of those who see them. • Participants research and understand the issues related to water scarcity and conservation, deepening their knowledge about water resources. • The posters inspire participants and viewers to take tangible actions to reduce water wastage in their daily lives and promote responsible water use. • The event fosters a sense of community engagement, as participants and viewers unite in their commitment to water conservation, strengthening the collective responsibility for safeguarding this vital resource. • The programme celebrates and showcases the artistic talent of students while integrating important environmental messages, promoting both art and environmental responsibility. • Participants have the opportunity to express their ideas and concerns about water conservation creatively, using visual art and design. • The visually striking posters attract the attention of the broader college community and serve as a conversation starter, spreading awareness about water conservation. • Some participants may become advocates for water conservation, actively promoting the cause within the college and their broader communities.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

Report on Poster Making Competition Programme

Modern College of Computer Science & I.T. SEAL Aurangabad

Executive Summary:

The "Save Water Poster Making Competition," organized by the Student Forum of Modern College of Computer Science and Information Technology on 23rd September 2023 at 11:00 AM, was an impactful event aimed at raising awareness about water conservation and promoting responsible water use among students and the college community.

Programme Details:

Date and Time: 23rd September 2023, 11:00 AM

Objective: To inspire awareness about water conservation, encourage artistic expression, and promote the message of saving water through creative posters.

Participants: Students, Faculty Members, and College Staff.

Programme Highlights:

Poster Making Competition: The core of the event featured a lively and competitive poster making competition, where participants showcased their creativity and artistic skills in creating posters on the theme of saving water.

Judging Panel: A panel of judges, including faculty members and art experts, evaluated the posters based on creativity, message effectiveness, and visual impact.

Public Display: All the posters were displayed for public viewing, allowing the entire college community to appreciate the talent and message conveyed by the participants.

Award Ceremony: An award ceremony recognized the outstanding posters and their creators, celebrating their contribution to water conservation awareness.

SEAL

Impact:

The "Save Water Poster Making Competition" programme had a significant impact:

Increased Awareness: Participants and viewers gained a deeper understanding of the importance of water conservation and the role they can play in protecting this essential resource.

Artistic Expression: The creative posters effectively conveyed the message of saving water, capturing the attention and imagination of those who saw them.

Inspiration for Action: The posters inspired participants and viewers to take tangible actions in their daily lives to reduce water wastage and promote responsible water use.

Community Engagement: The event fostered a sense of community engagement, as participants and viewers united in their commitment to water conservation, strengthening the collective responsibility for safeguarding this vital resource.

Future Initiatives:

Building on the success of this event, the Student Forum plans to organize additional initiatives to continue promoting water conservation awareness and responsible water use.

Acknowledgments:

We extend our heartfelt gratitude to all participants, including students, faculty members, and staff, for their enthusiastic participation in making the "Save Water Poster Making Competition" a meaningful and impactful event.

We also appreciate the support of the college administration in facilitating this vital water conservation initiative.

CIRCULAR

Dear Students & Staff Members,

We are pleased to inform you that the "Swachh hi Sewa Hai" initiative, organized by the Wildlife Institute of India in collaboration with the National River Conservation Directorate (NRCD), is scheduled, their team has planned a tree plantation activity for our students.

Event Details: Date: 27 May, 2023, Time: 12:00PM

Programme Highlights:

Oath Ceremony: The program will commence with an oath ceremony, emphasizing our commitment to cleanliness and environmental conservation.

Guest Lecture: A guest lecture will be conducted as part of the program to educate and inspire students about the importance of environmental preservation.

Tree Plantation: The main highlight of the event will be a tree plantation activity, contributing to our collective efforts for a greener and cleaner environment.

Your Support is Crucial: We encourage all staff members to support and promote active student participation in this initiative. Your involvement and encouragement will undoubtedly contribute to the success of this environmentally significant event.

Let us come together to make a positive impact on our environment and instill a sense of responsibility for the well-being of our planet.

Thank you for your cooperation and commitment to fostering a culture of environmental consciousness within our college community.

Kwaghmare

Sincerely, I/C Principal

Subject: Appreciation for Your Contribution to the "Swachh Hi Sewa Hai" Tree Plantation Event

On behalf of our College, I extend my sincerest gratitude for your invaluable contribution to our tree plantation event organized as part of the "Swachh Hi Sewa Hai" initiative, held on May 27, 2023.

Your presence and insightful remarks added immense value to the event, inspiring our students and faculty members to actively participate in environmental conservation efforts. Your expertise in the field of environmental conservation and tree plantation served as a guiding light, motivating us all to contribute to a cleaner and greener tomorrow.

We are truly grateful for your time, dedication, and passion for spreading awareness about the importance of tree plantation and environmental conservation.

Once again, thank you for your unwavering support and commitment to our cause. We look forward to future collaborations and opportunities to work together towards a more environmentally conscious future.

With warm regards.

- To reinforce the importance of the oath ceremony as a symbolic commitment to cleanliness and environmental stewardship, encouraging participants to uphold these values.
- To highlight the role of tree plantation in biodiversity conservation and its positive impact on the ecosystem.
- To provide students with valuable insights through the guest lecture, educating them on the broader context of wildlife conservation and the role of tree plantation in preserving ecosystems.
- To offer students a hands-on learning experience in tree plantation, promoting practical knowledge and skills related to environmental sustainability.
- To enhance the aesthetic appeal of the college campus by planting trees, creating a green and eco-friendly environment.
- To contribute to the long-term environmental impact by planting trees that will grow and positively influence the local ecology over time.
- To instill a sense of civic responsibility and duty toward the environment among students, fostering a mindset of active participation in community initiatives.
- To promote collaboration between the college and external organizations like the Wildlife Institute of India and NRCD, establishing networks for future environmental endeavors.
- To enhance the college's public image by actively participating in initiatives that reflect social and environmental responsibility.
- To promote the adoption of sustainable practices among students, encouraging them to carry forward the values of environmental conservation in their daily lives.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

Report on Tree Plantation

Modern College of Computer Science & I.T. SEAL Aurangabad

Executive Summary:

The "Swachh hi Sewa Hai" initiative, organized by the Wildlife Institute of India in collaboration with the National River Conservation Directorate (NRCD), was successfully conducted at Modern College of Computer Science and Information on May 27, 2023, at 1:30 PM. The event included a comprehensive program featuring tree plantation, an oath ceremony, and a guest lecture. This report provides a detailed overview of the proceedings, key highlights, and the impact of the initiative on the college community.

Programme Highlights:

1. Tree Plantation:

- Students actively participated in the tree plantation, contributing to the college's environmental sustainability efforts.

2. Oath Ceremony:

- The event commenced with an oath ceremony, symbolizing the commitment of participants to cleanliness and environmental stewardship.

3. Guest Lecture:

- A guest lecture was delivered to provide educational insights into wildlife conservation and the significance of tree plantation.

Key Elements of Effective Communication:

1. Clear Instructions:

- Clear and concise instructions were provided to ensure participants understood their roles in the tree plantation and the significance of the oath ceremony.

Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

2. Engagement:

- Interactive communication methods were employed to engage students actively throughout the program, fostering a sense of involvement.

Case Studies and Examples:

- The success of a similar tree plantation initiative by NRCD in another educational institution showcased the positive impact such programs can have on the environment and community.

Impact:

1. Environmental Contribution:

- The tree plantation contributed to the college's greenery, positively impacting the local environment.

2. Awareness and Education:

- Increased awareness about environmental issues and wildlife conservation was evident among the participants.

Future Initiatives:

1. Continued Collaboration:

- Future initiatives aim to continue collaboration with organizations like the Wildlife Institute of India to promote environmental awareness.

2. Sustainability Projects:

- Plans for long-term sustainability projects, including regular tree plantation drives and awareness campaigns.

Acknowledgment:

- The college extends heartfelt gratitude to the Wildlife Institute of India and NRCD for their collaboration and commitment to environmental conservation.

Question and: Answer Session

- An interactive Q&A session allowed students to seek clarification and share their thoughts on environmental issues, promoting knowledge exchange.

Conclusion:

- The "Swachh hi Sewa Hai" initiative was a resounding success, fostering a sense of environmental responsibility and civic engagement among the college community. The event served as a cornerstone for future environmental initiatives, emphasizing the college's commitment to sustainability and community development.

CIRCULAR

Dear Students & Staff Members,

We are pleased to inform you about an upcoming **Tree Plantation** Event organized by our college.

Date: 15th May 2023

Time: 11:00 AM

Venue: Vikramshila college ground, Sanmitra Colony , Nirala Bazar, Aurnagabad

Details:

- A bus will be arranged for all participants. Please arrive at the college by 8:00 AM.
- Make sure to carry a water bottle with you.
- The event is expected to last for 3 to 4 hours, and we will return to the college afterward.

Your participation is highly appreciated as we take this step towards a greener environment.

Kwaghmare

Best Regards, I/C Principal

ACTIVITY ORGANISED REPORT ACADEMIC YEAR 2023-2024

Report on Tree Plantation

Executive Summary:

The **Tree Plantation** Activity organized by Modern College of Computer Science & Information Technology took place on 15th May 2023 near Chauka, Harsul, TV Point. The event aimed to enhance environmental conservation, improve air quality, and support biodiversity. Participants, including staff and students, gathered at the college at 8:00 AM, traveled by bus to the venue, and actively engaged in planting a variety of tree species. The event not only educated participants about the ecological benefits of trees but also fostered a sense of community and responsibility towards environmental stewardship. The activity concluded successfully with participants returning to the college after 3 to 4 hours.

Programme Details:

- Date and Time: 15th May 2023, 11:00 AM
- Venue: Vikramshila college ground, Sanmitra Colony, Nirala Bazar, Aurnagabad
- Participants: Staff and students of Modern College of Computer Science & Information Technology
- Transportation: Bus arranged for participants, departure from the college at 8:00 AM
- Instructions: Participants were advised to carry water bottles

Programme Highlights:

1.Environmental Conservation Achieved:

- Enhanced green cover in the area, contributing to reduced pollution and a lower carbon footprint.
- Planted trees will absorb carbon dioxide and release oxygen, improving air quality.

9.Aesthetic Improvements:

- Immediate improvement in the area's aesthetics, making it greener and more pleasant.
- Positive impact on the local environment's visual appeal.

10.Health and Well-being Promoted:

- Physical activity through planting trees.
- Enhanced mental well-being by connecting with nature.

Key Elements of Effective Communication:

1.Clarity:

- Clear instructions were provided to participants regarding the schedule, venue, and necessary preparations.

2.Engagement:

- Participants were actively engaged in the tree planting process, fostering a sense of involvement.

3.Education:

- Informative sessions about the benefits of trees and environmental conservation were conducted.

4.Feedback:

- Participants were encouraged to share their experiences and feedback about the event.

Impact:

1.Environmental Impact:

- Enhanced local green cover and improved air quality.
- Positive contribution to climate change mitigation efforts.

K@aejhmare

IIC Principal
Modern College of Computer Science & I.T.,
Aurangabad.

2.Educational Impact:

- Increased awareness about environmental conservation among participants.
- Educational sessions provided valuable knowledge about ecological benefits.

3.Community Impact:

- Fostered a sense of community and collective responsibility.
- Strengthened bonds among participants through a shared environmental cause.

Future Initiatives:

1.Regular Tree Plantation Drives:

- Plan to organize tree plantation activities regularly to continue enhancing green cover.

2.Environmental Awareness Campaigns:

- Conduct campaigns to raise awareness about environmental issues and sustainable practices.

3.Collaborations:

- Collaborate with local organizations and schools for larger community participation in future events.

Acknowledgements:

1.Participants:

- Heartfelt thanks to all staff and students for their enthusiastic participation.

2.Organizers:

- Special thanks to the organizing committee for their efforts in planning and executing the event.

3.Support Staff:

- Appreciation for the support staff who facilitated transportation and logistical arrangements.

Kulaghmare
I/C Principal
Modern College of Computer Science & I.T.,
Aurangabad.

Scanned with OKEN Scanner

Questions & Answers Session:

1.Open Forum:

- An open forum was conducted where participants could ask questions about the event and environmental conservation.

2.Expert Insights:

- Experts provided insights into the benefits of tree planting and answered queries from participants.

Conclusion:

The **Tree Plantation** Activity on 15th May 2023 was a successful initiative by Modern College of Computer Science & Information Technology. It achieved its objectives of enhancing environmental conservation, improving air quality, and fostering community engagement. The event not only provided educational value but also promoted physical and mental well-being among participants. With the positive outcomes and enthusiastic participation, the college looks forward to organizing similar events in the future to continue its efforts in environmental sustainability.
