## CIRCULAR

Dear Students & Staff Members,

We are excited to announce that Modern College of Computer Science and Information Technology is organizing an Excursion tour on January 29, 2022. The bus will depart at 7:00 AM sharp from the college premises.

Breakfast and lunch will be provided during the excursion. We kindly request all students to carry their water bottles and college ID cards. It is mandatory to come in uniform for the excursion.

We will return to the college by 4:00 PM. Please inform your parents about the excursion and ensure your attendance.

We look forward to a fun and memorable day at Ellora Caves.

*K. Waghmare*

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## Report on Picnic: Ellora Caves

### Executive Summary:

The picnic to Ellora Caves, organized by Modern College of Computer Science and Information Technology on January 28, 2022, was a highly successful and enjoyable event. The picnic aimed to provide students with an educational and recreational experience, allowing them to explore the historical and architectural wonders of Ellora Caves. The event was well-attended, with students and staff alike participating enthusiastically in the activities.

### Program Details:

- Date: January 28, 2022
- Time: 07:00 AM
- Destination: Ellora Caves

**Programme:** The programme included a guided tour of Ellora Caves, interactive sessions on the history and significance of the caves, and recreational activities such as games and group activities. Breakfast and lunch were provided to all participants.

### Key Elements of Effective Communication:

- Clear and concise communication about the itinerary and expectations.
- Engaging presentations and interactive sessions to maintain interest.
- Regular updates and reminders about the event details.

**Case Studies and Examples:** Case studies were presented to illustrate the historical and architectural significance of Ellora Caves. Examples of effective communication and teamwork during the picnic were also highlighted.

PARMITA EDUCATION SOCIETY

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad"

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

**Impact:** The excursion had a positive impact on participants, providing them with a memorable and educational experience. Participants gained a deeper appreciation for Indian history and culture, as well as valuable insights into effective communication and teamwork.

**Future Initiatives:** Future initiatives include organizing more educational and recreational outings for students to enhance their learning experiences outside the classroom.

**Acknowledgment:** We would like to thank all the students and staff members who participated in the picnic, as well as the organizing committee for their hard work and dedication in making the event a success.

**Question and Answer Session:** The event concluded with a question-and-answer session, where participants had the opportunity to ask questions and share their experiences. This session helped reinforce the key learnings from the excursion tour and provided closure to the event.

**Conclusion:** In conclusion, the excursion tour to Ellora Caves was a memorable and enriching experience for all participants. It provided students with a unique opportunity to learn about history and culture in a fun and interactive way. We look forward to organizing more such events in the future to further enhance the educational experience of our students.

**Dear Students & Staff Members,**

We are excited to announce that all students and staff members of the Modern College of Computer Science & Information Technology are required to attend a **visit to TMT Production** (The Magic Touch).

- **Details of the visit:**

Date: 5 February, 2022

Time: 10:00 AM

Meeting Point: College premises

We will gather at the college at 10:00 AM and proceed to TMT Production together. This visit is a valuable opportunity to explore and understand the latest advancements in technology.

Attendance for this visit is mandatory for all students. If you have any concerns or conflicts, please inform the college administration promptly.

Let's make the most of this learning experience!

## ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

### Report on Visit to TMT Production

#### Executive Summary:

The visit to TMT Production (The Magic Touch) on January 5, 2022, organized by Modern College of Computer Science and Information, was a resounding success. Students were provided with a unique opportunity to gain insights into seamless business processes for small and medium enterprises (SMEs) through the lens of digital cataloging. This experience aimed to bridge the gap between theoretical knowledge and practical application, offering a valuable learning experience for all participants.

#### Programme Details:

- Date: February 5, 2023
- Time: 10:30 AM
- Venue: TMT Production (The Magic Touch)
- Itinerary: Gathered at the college campus, students traveled by bus to TMT Production, where they received a comprehensive understanding of business activities and digital cataloging.

#### Programme Highlights:

1. Seamless Business Processes: Students gained insights into how seamless processes contribute to the success of small and medium enterprises.
2. Digital Catalogue Exploration: The visit emphasized the role of digital cataloging in modern business activities, showcasing its significance and applications.
3. Unique Experiential Learning: The experience at TMT Production provided a unique, hands-on learning opportunity, enabling students to connect classroom knowledge with real-world scenarios.

## Key Elements of Effective Communication:

- **Clear Presentation:** TMT Production experts effectively communicated complex business concepts in a clear and understandable manner.
- **Engagement:** Interactive sessions encouraged student engagement, ensuring active participation and comprehension.
- **Case Studies and Examples:**
- **Real-world Scenarios:** TMT Production presented case studies and examples, illustrating how their processes have positively impacted businesses in real-world scenarios.
- **Digital Catalogue Success Stories:** Students were presented with success stories related to the implementation of digital cataloging in various business settings.

## Impact:

The visit had a profound impact on participants, providing them with practical insights into business operations and the digitalization of cataloging processes. Students expressed increased enthusiasm and a deeper understanding of the business world.

## Future Initiatives:

Inspired by the success of this visit, Modern College of Computer Science and Information plans to organize more industry visits to enhance students' exposure to practical applications, fostering a stronger connection between academia and industry.

## Acknowledgment:

The college expresses gratitude to TMT Production for their hospitality and valuable insights shared during the visit.

## Question and Answer Session:

A dynamic question and answer session allowed students to seek clarification and engage in meaningful discussions with the experts from TMT Production, further enhancing the learning experience.

## Invitation Letter

To  
The Professor  
Nutan Mahavidyalya, Selu  
Parbhani, 431401  
Maharashtra State.

**Subject: Invitation to Online Discussion on Basic of NAAC Criteria**

**Respected Dr. Nirmala Padmavat,**

We are pleased to extend our invitation to you for a one-day online discussion organized by our College on the basics of NAAC criteria. The discussion will take place on **February 6, 2022, at 7:30 PM** via Zoom.

We are honored to have you as our guest speaker for this event. Your expertise in the field of NAAC accreditation will be invaluable in guiding our students through the fundamentals of NAAC criteria. Your participation in this discussion will greatly benefit our students and contribute to their academic growth and development. We sincerely hope you will accept our invitation to share your knowledge.

Thank you for considering our invitation. We look forward to your positive response.

Warm regards,

**Subject: Appreciation for Your Contribution to the Online Discussion on Basics of NAAC Criteria**

**Respected Dr. Nirmala Padmavat,**

I am writing on behalf of our College to express our heartfelt appreciation for your invaluable contribution to the online discussion on the basics of NAAC criteria, held on February 6, 2022, at 7:30 PM via Zoom.

Your expertise and insights as our guest speaker significantly enriched the learning experience. Your profound understanding of NAAC criteria and accreditation process provided us with invaluable knowledge and guidance. The discussion was insightful and engaging, thanks to your informative presentation and thoughtful responses to questions.

We have received overwhelmingly positive feedback from the participants, who have expressed their gratitude for the opportunity to learn from you. Your dedication to sharing your expertise and assisting our students in understanding NAAC criteria is truly commendable.

Warm regards,

Sincerely,

- To establish connections with Nutan Mahavidyalaya Selu staff for future collaborations.
- To inspire staff members to actively participate in the NAAC accreditation process.
- To help in planning strategies for meeting NAAC criteria effectively.
- To increase awareness among staff members about the importance of NAAC accreditation for the college.

## Outcome

- Staff members gained a deeper understanding of the software used for managing NAAC criteria and processes.
- The explanation provided by Dr. Nirmala Padmavat clarified the NAAC criteria, making them more understandable for the staff.
- The tour of Nutan Mahavidyalaya Selu's campus provided insights into how NAAC criteria are implemented in a practical setting.
- The interactive session allowed staff members to engage with Dr. Nirmala Padmavat and her team, facilitating a more thorough understanding of NAAC accreditation.
- Staff members learned about the best practices followed by Nutan Mahavidyalaya Selu, which can be applied to enhance NAAC compliance at their own college.
- Networking with the staff of Nutan Mahavidyalaya Selu created opportunities for future collaboration and knowledge sharing.
- Witnessing the successful implementation of NAAC criteria at Nutan Mahavidyalaya Selu inspired staff members to work towards similar achievements at their own college.
- Understanding the challenges and strategies involved in implementing NAAC criteria provided valuable insights for planning and execution at Modern College of Computer Science & Information Technology.

## Report on NAAC Criteria and Work Under the MOU

### Executive Summary

On February 6, 2023, Modern College of Computer Science & Information Technology conducted an online session via Zoom under the Memorandum of Understanding with Nutan Mahavidyalaya Selu, District Parbhani, Maharashtra. The session, led by Dr. Nirmala Padmavat, focused on discussing the basics of NAAC criteria in detail. This report provides a detailed account of the session and its outcomes.

### Programme Highlights

- Date: February 6, 2023
- Time: 7:30 pm
- Platform: Zoom
- Speaker: Dr. Nirmala Padmavat from Nutan Mahavidyalaya Selu
- Topic: Discussion on Basics of NAAC Criteria

### Key Elements of Effective Communication

Dr. Nirmala Padmavat emphasized the importance of effective communication in the following ways:

- Ensuring clarity in explaining NAAC criteria.
- Encouraging active participation and engagement.
- Providing opportunities for feedback and discussion.

### Case Studies and Examples

Dr. Nirmala Padmavat presented case studies and examples of colleges that have successfully implemented NAAC criteria. These examples highlighted best practices and strategies for achieving accreditation.

## Impact

The session had a significant impact on all staff members, as they gained a better understanding of the NAAC criteria and processes. It also motivated them to actively participate in the accreditation process.

## Future Initiative

Modern College of Computer Science & Information Technology plans to organize more sessions to further enhance understanding of NAAC criteria. The college also aims to implement the learnings from the session to improve its accreditation prospects.

## Acknowledgment

The college extends its gratitude to Dr. Nirmala Padmavat for her valuable insights and guidance on NAAC criteria.

## Question and Answer Session

The session concluded with a question-and-answer session, where staff members had the opportunity to seek clarification on NAAC-related queries.

## Conclusion

The online session was highly informative and beneficial for all staff members. It was a significant step towards achieving NAAC accreditation for Modern College of Computer Science & Information Technology.

## Invitation Letter

To

The Professor

Nutan Mahavidyalya Selu Parbhani,

Maharashtra State 431001.

Subject: Invitation to Online Guidance on NAAC Criteria

Respected Dr. Nirmala Padmavat,

We are thrilled to extend our invitation to you for a one-day online discussion organized by our College for the guidance on NAAC criteria. The discussion will be held on March 13, 2022, at 6:00 PM via Zoom.

Your expertise in the field of NAAC accreditation will be invaluable in guiding through the fundamentals of NAAC criteria. The discussion aims to provide our deeper understanding of the accreditation process and its importance in ensuring quality education.

We sincerely hope you will accept our invitation to share your knowledge and insights with our students. Your participation will greatly benefit our students and contribute to their academic growth and development.

Thank you for considering our invitation. We look forward to your positive response.

Warm regards,

Principal

**Subject: Appreciation for Your Contribution to the Online Guidance on NAAC Criteria**

**Respected Dr. Nirmala Padmavat,**

I am writing on behalf of our College to express our sincere gratitude for your participation as the guest speaker in the online guidance on NAAC criteria, held on March 13, 2022, at 6:00 PM via Zoom.

Your expertise and insights into NAAC accreditation criteria greatly enriched the learning experience. Your comprehensive understanding and clear explanations helped us grasp the fundamentals of NAAC criteria effectively. The discussion was insightful and engaging, thanks to your informative presentation and thoughtful responses to questions.

Thank you once again for accepting our invitation and for your invaluable contribution to our discussion.

Warm regards,

*K. Waghmare*

Sincerely,
