Date: 01 September 2018

## CIRCULAR

Dear Students & Staff Members,

We are delighted to inform you about the upcoming "Yoga Day" event organized by the Student Forum of Modern College of Computer Science and Information Technology. Please find the event details below:

Date: 3rd September 2018 Time: 8:30 AM

Join us for a rejuvenating and holistic experience as we celebrate the ancient practice of yoga. The event will include yoga asanas (postures), guided meditation, and breathing exercises led by certified instructors. It's an opportunity to enhance your physical fitness, mental clarity, and overall well-being.

Whether you're a seasoned yogi or new to the practice, everyone is welcome to participate. Let's come together as a community to promote health and mindfulness.

Don't forget to bring your yoga mats and a positive attitude!

We look forward to seeing you there.

*Kwaghmare*  
Sincerely,

Principal

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2018-2019

## Report on Yoga Day

### Executive Summary:

Modern College of Computer Science & Information Technology organized a **Yoga Day** on September 3, 2018, at 8:30 AM. The event aimed to promote holistic well-being among students, fostering a culture of physical and mental health through the practice of yoga.

### Programme Details:

- **Date:** 3rd September 2018
- **Timing:** 08:30 AM

### Programme Highlights:

#### 1. Inauguration and Warm-up:

- The event commenced with an inaugural ceremony, followed by a group warm-up to prepare participants for the yoga session.

#### 2. Yoga Asanas and Breathing Exercises:

- Led by experienced yoga instructors, participants engaged in a series of yoga asanas and breathing exercises to enhance flexibility and mindfulness.

#### 3. Guided Meditation:

- A guided meditation session allowed participants to experience relaxation and mental rejuvenation.

### Key Elements of Effective Communication:

#### • Clear Instructions:

- Instructors provided clear and concise instructions, ensuring participants of all levels could follow seamlessly.

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **Encouragement and Motivation:**

- Verbal encouragement and motivational cues were integrated to keep participants motivated throughout the session.

- **Demonstrations:**

- Instructors demonstrated each yoga pose, enabling participants to understand and replicate the correct postures.

### Case Studies and Example:

- **Case Studies:** Real-life examples of individuals benefiting from regular yoga practice were shared to inspire participants.

### Impact:

1. **Improved Well-being:**

- Participants reported increased feelings of well-being, reduced stress levels, and improved focus.

2. **Enhanced Physical Fitness:**

- Regular yoga practice contributed to enhanced physical fitness and increased flexibility among participants.

### Future Initiatives:

- Future initiatives may include integrating yoga as part of the regular curriculum and offering specialized workshops on mindfulness.

### Acknowledgment:

- The college extends sincere appreciation to the yoga instructors, participants, and organizing committee for their valuable contributions.

## Outcome

- Participants gained a comprehensive understanding of various types of cancers, their causes, and associated risk factors through the dissemination of accurate and up-to-date information.
- The workshop effectively raised awareness about the importance of early detection, emphasizing the role of regular screenings and preventive measures to identify and address potential health concerns promptly.
- Attendees were educated about common symptoms associated with various types of cancers, enabling them to recognize warning signs and seek timely medical intervention.
- The workshop successfully dispelled common myths and misconceptions surrounding cancer, fostering a more informed and empathetic perspective among participants.
- Participants were informed about available support systems, resources, and organizations dedicated to assisting individuals affected by cancer, promoting a sense of community and access to relevant assistance.
- The workshop encouraged the adoption of healthy lifestyle choices, such as maintaining a balanced diet, engaging in regular physical activity, and avoiding tobacco and excessive alcohol consumption, as integral components of cancer prevention.
- Attendees gained insights into the psychosocial impact of cancer on individuals and their families, highlighting the importance of emotional support and mental well-being throughout the cancer journey.
- Participants were motivated to share the knowledge acquired during the seminar with their peers, families, and wider communities, contributing to the dissemination of essential information on cancer awareness.
- The workshop successfully stressed the significance of routine health check-ups and screenings, fostering a proactive approach to health management among participants.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-202

## Report One Day Workshop on Awareness on Cancer

### Executive Summary:

The two-day health awareness workshop on "Awareness on Cancer," organized by Modern College of Computer Science and Information, held on January 5, 2022, proved to be an enlightening and impactful event. With a focus on imparting crucial knowledge and promoting preventive measures, the seminar aimed to empower students with information essential for a healthier lifestyle.

### Programme Details:

- **Date: January 5, 2022** **Time: 12:00 PM**

### Programme Highlights:

1. Expert Presentations: Renowned experts in the field delivered insightful presentations, covering various aspects of cancer, including causes, risk factors, and preventive measures.
2. Interactive Workshops: Engaging workshops provided attendees with practical tools and strategies for early detection and adopting a healthier lifestyle.
3. Panel Discussions: Expert-led panel discussions facilitated a deeper understanding of the psychosocial aspects of cancer and the importance of community support.

### Key Elements of Effective Communication:

- Clear Dissemination: The communication strategy ensured the delivery of clear and accurate information, enhancing participants' understanding of complex topics.
- Interactive Sessions: Engaging and interactive sessions encouraged active participation, fostering a dynamic learning environment.

## Case Studies and Examples:

- Real-Life Stories: Case studies and real-life examples were presented, illustrating the impact of early detection and preventive measures on individuals and their families.
- Success Information Stories: Inspirational success stories highlighted the resilience and courage of individuals who triumphed over cancer.

## Impact:

The seminar had a profound impact on participants, equipping them with valuable knowledge, fostering a heightened awareness of cancer, and promoting proactive health management.

## Future Initiatives:

Inspired by the success of this workshop, Modern College of Computer Science and Information Technology aims to organize similar events in the future, focusing on different aspects of health awareness to further benefit the student community.

## Acknowledgment:

The college extends heartfelt gratitude to the speakers, organizers, and participants for their contributions to the success of the seminar.

## Question and Answer Session:

A dynamic question and answer session provided attendees with the opportunity to seek clarifications, enhancing the overall learning experience.

## Conclusion:

The "Awareness on Cancer" Workshop not only fulfilled its objective of providing vital information also ignited a sense of responsibility among participants to actively contribute to their own well-being. The event marked a significant step towards creating a healthier and more informed college community.

**All Students and Faculty Members**

**Subject: Dental Check-Up Camp Organized by Student Forum**

We are pleased to announce that the Student Forum of our College is organizing a Dental Check-Up Camp in collaboration with a team of doctors from Civil Hospital.

- Event Details:
- Date: January 6, 2022
- Time: 02:00 PM
- Venue: Modern College of Computer Science & Information Technology
- Guest: Team of Doctors from Civil Hospital

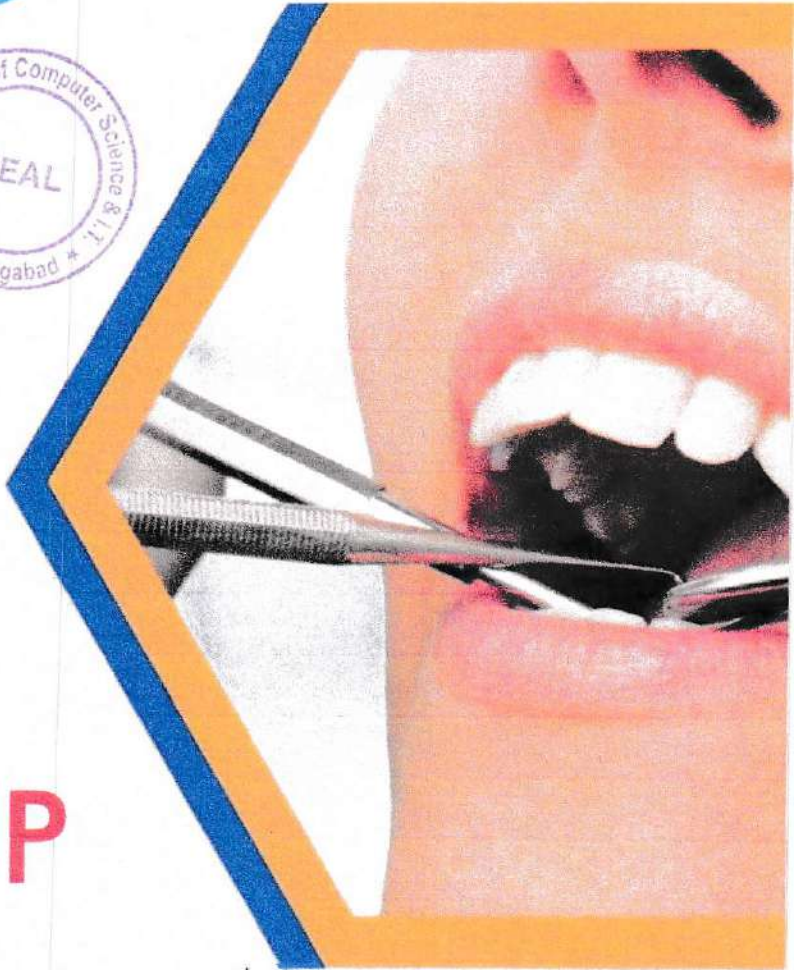

The objective of this camp is to promote oral health awareness and provide students and faculty members with an opportunity to undergo a dental check-up. The team of doctors from Civil Hospital will be conducting the check-ups and offering valuable insights on dental hygiene and care.

We encourage all students and faculty members to participate in this camp and take advantage of this opportunity to prioritize their dental health. Your active participation will contribute to the success of this initiative and promote a culture of well-being within our college community.

Please mark your calendars and join us for this beneficial event. We look forward to your presence.

Thank you for your attention and cooperation.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## REPORT ON DENTAL CHECK UP CAMP

### Executive Summary:

The **Dental Check-up camp**, held on January 4, 2022, at 2:00 PM, organized by Modern College of Computer Science & Information Technology in collaboration with Civil Hospital, aimed to provide students with access to dental care and promote oral health awareness. The camp, led by a team of doctors, offered students the opportunity to undergo dental check-ups and receive guidance on maintaining good oral hygiene practices.

### Programme Details:

- Date: January 6, 2022
- Time: 2:00 PM
- Venue: Modern College of Computer Science & Information Technology
- Participants: Students
- Organizers: Modern College of Computer Science & Information Technology, Civil Hospital

### Programme Highlights:

- Comprehensive dental check-ups for students.
- Oral health education sessions by dental professionals.
- Distribution of oral hygiene kits to participants.
- Demonstrations on proper brushing and flossing techniques.
- Referral services for further dental treatments, if needed.

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

## Key Elements of Effective Communication:

- Clear and concise instructions on oral hygiene practices.
- Use of visual aids to demonstrate proper brushing and flossing techniques.
- Personalized advice based on individual dental check-up results.
- Encouraging questions from students to address their concerns.
- Providing educational materials for ongoing oral health awareness.

## Impact:

- Increased awareness about the importance of oral health.
- Early detection and prevention of dental issues among students.
- Encouraged students to adopt healthy oral hygiene habits.
- Established a relationship between students and dental healthcare providers.

## Future Initiatives:

- Regular dental check-up camps to monitor students' oral health.
- Collaboration with dental colleges for specialized dental services.
- Integration of oral health education into the college curriculum.
- Establishment of a dental clinic on campus for ongoing dental care.

## Acknowledgment:

We extend our heartfelt thanks to the team of doctors from Civil Hospital for their valuable time and expertise in conducting the dental check-up camp. Their commitment to promoting oral health has made a significant impact on our students' well-being.

## Questions & Answers Session:

The Q&A session provided students with an opportunity to seek clarification on oral health topics and receive personalized advice from dental professionals.

**Subject: Appreciation for Your Contribution to the Eye and Health Check-Up Camps**

**Respected Doctors,**

On behalf of our College, I would like to extend our heartfelt appreciation for your invaluable contribution to our recent 2-day workshop, featuring the Eye Check-Up Camp and the Health Check-Up Camp held on January 17 and 18, 2022, respectively.

Your expertise and dedication played a crucial role in the success of these events. The eye check-up and health check-up services provided by your esteemed team of doctors have significantly benefited our students and staff. Your commitment to promoting health awareness and providing essential medical services has made a lasting impact on our community.

We are grateful for the time and effort you dedicated to this initiative. Your support and professional guidance were instrumental in ensuring the smooth execution and effectiveness of the workshops.

Once again, thank you for your outstanding contribution. We look forward to future collaborations and opportunities to work together for the well-being of our community.

Warm regards,

Sincerely,  
Principal

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## Report on One Day Camp on Eye Check Up & Health Check Up

### Executive Summary:

The **Two-Day Camp on Eye Check-up & Health Check-up** held at Modern College of Computer Science and Information was a successful event aimed at promoting health awareness among students. The camp provided students with access to eye and health screenings, education on healthy lifestyle practices, and referrals for further treatment if necessary. The event was well-received by students and staff, with positive feedback received regarding its impact on health awareness and preventive healthcare practices.

### Program Details:

- Date: January 17 & 18, 2022
- Time: 11:30 AM
- Venue: Modern College of Computer Science and Information Technology

**Programme:** The program included eye check-ups, general health check-ups, educational sessions on eye care and healthy living, and interactive sessions with healthcare professionals.

### Key Elements of Effective Communication:

- Clear and concise communication of instructions and information.
- Use of visual aids and demonstrations to enhance understanding.
- Encouragement of active participation and questions from participants.

**Case Studies and Examples:** Case studies were presented to illustrate the importance of regular eye check-ups and health check-ups. Examples of healthy lifestyle practices were also shared to inspire students to adopt healthier habits.

PARMITA EDUCATION SOCIETY

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

**Impact:** The camp had a significant impact on students, with many reporting increased awareness about the importance of regular check-ups and healthy living. Several students were identified with potential health issues and were referred for further evaluation and treatment.

**Future Initiatives:** Future initiatives include organizing similar health camps regularly to continue promoting health awareness among students. Additionally, educational workshops on eye care and healthy living will be conducted to further enhance students' knowledge and encourage healthy behaviors.

**Acknowledgment:** We would like to acknowledge the efforts of all the healthcare professionals, volunteers, and staff members who contributed to the success of the camp. Their dedication and hard work are greatly appreciated.

**Question and Answer Session:** The camp concluded with a question-and-answer session, allowing students to seek clarification and further information about the topics discussed during the camp.

**Conclusion:** In conclusion, the **One Day Camp on Eye Check-up** was a valuable initiative that significantly contributed to promoting health awareness and encouraging preventive healthcare practices among students. The event highlighted the importance of regular check-ups and healthy living habits in maintaining overall well-being.

**Maharashtra State. 431001**

**Subject: Appreciation for Your Valuable Contribution to the Anti-Drug Awareness Workshop**

**Dear Dr. Vishal R. Wathore**

On behalf of our College, I extend our deepest gratitude for your invaluable contribution to the one-day workshop on "Awareness of Anti-Drug," held on January 10, 2022, at 11:00 AM.

Your insightful presentation and expertise provided our students with a profound understanding of the dangers of drug use and the importance of maintaining a drug-free lifestyle. The information and guidance you shared were instrumental in educating and inspiring our students to make healthier choices.

We are truly grateful for your time and effort in making this workshop a success. Your contribution has made a significant impact on our students and will help shape their future positively.

Thank you once again for your support and dedication to this important cause. We look forward to the possibility of collaborating with you on future initiatives.

With sincere appreciation,

*Kwaghmare*

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

## Report on Awareness on Anti Drugs

### Executive Summary:

Modern College of Computer Science and Information successfully conducted a one-day seminar on "Awareness on Anti-Drugs" to educate and empower students and staff about the harmful consequences of drug abuse. The seminar aimed to create awareness, foster prevention strategies, and promote a supportive environment within the college. This report provides a comprehensive overview of the seminar's proceedings, impact, and future initiatives.

### Programme Details:

- **Seminar Title:** Awareness on Anti-Drugs
- **Duration:** One day
- **Date:** January 18, 2024
- **Time:** 11:00 AM – 1:00 PM

### Programme Highlights:

- 1. Inaugural Session:** Welcome address by the college authorities, setting the tone for the day's discussions.
- 2. Expert Talks:** Invited experts delivered talks on the physiological, psychological, and societal impacts of drug abuse.
- 3. Prevention Strategies Workshop:** Interactive workshop sessions focused on preventive strategies and coping mechanisms.
- 4. Real-life Case Studies:** Presentation of real-life case studies illustrating the consequences of drug abuse on individuals and communities.

SEAL

**5. Legal Awareness Segment:** A session on legal implications associated with drug-related activities, emphasizing adherence to legal norms.

### Key Elements of Effective Communication:

**1. Engaging Presentations:** Utilization of engaging presentations, visuals, and interactive discussions to effectively communicate the seminar's key messages.

**2. Interactive Workshops:** Incorporation of interactive workshops to encourage active participation and hands-on learning.

### Case Studies and Examples:

- **Real-life Scenarios:** Showcasing real-life scenarios and examples to provide practical insights into the impact of anti-drug initiatives.

### Impact:

**1. Increased Awareness:** Participants demonstrated increased awareness of the risks associated with drug abuse.

**2. Preventive Mindset:** Attendees developed a preventive mindset, equipped with strategies to avoid drug-related issues.

**3. Community Building:** Fostering a sense of community responsibility in creating a drug-free environment within the college.

### Future Initiatives:

The college plans to conduct regular awareness programs, workshops, and support initiatives to sustain the momentum generated by this seminar.

### Acknowledgment:

The college extends sincere gratitude to the expert speakers, participants, and organizers for their valuable contributions to the success of the seminar.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

## Report on Guest Lecture: Ending the Stigma of Mental Health

### Executive Summary:

The guest lecture on "**Ending the Stigma of Mental Health**" by Mr. Suman Patra, a renowned Trainer, Counselor, and Coach from Odisha, held on August 31, 2022, at 11:00 am, was a highly insightful and impactful session. The program aimed to raise awareness about mental health issues, debunk myths, and promote a more supportive environment. Mr. Patra's expertise and engaging presentation style made the session both informative and engaging, leaving a lasting impression on the audience.

### Program Details:

- Date: August 31, 2022                      Time: 11:00 am
- Speaker: Mr. Suman Patra, Trainer, Counselor, and Coach from Odisha

### Program Highlights:

- **Introduction to Mental Health:** Mr. Patra provided a comprehensive overview of mental health, discussing common misconceptions and the importance of seeking help.
- **Understanding Stigma:** The session delved into the stigma surrounding mental health and its impact on individuals and society.
- **Promoting Awareness:** Mr. Patra shared strategies to promote mental health awareness and create a supportive environment.
- **Q&A Session:** A lively question and answer session followed the lecture, allowing attendees to engage with Mr. Patra and clarify doubts.

### Key Elements of Effective Communication:

- **Clarity:** Mr. Patra emphasized the importance of clear and concise communication when discussing mental health issues.

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **Empathy:** He highlighted the need for empathy and understanding when communicating with individuals experiencing mental health challenges.
- **Active Listening:** Mr. Patra discussed the significance of active listening in promoting effective communication and supporting those in need.

### Impact:

- **Increased Awareness:** The lecture increased awareness about mental health issues and helped dispel myths and stereotypes.
- **Empowerment:** Attendees felt empowered to seek help and support others facing mental health challenges.
- **Community Support:** The session fostered a sense of community support and understanding towards mental health issues.

### Future Initiatives:

**Continued Education:** The college plans to organize more lectures and workshops on mental health to further educate students and staff.

**Support Services:** Efforts will be made to enhance mental health support services within the college community.

### Awareness Campaigns:

The college aims to launch awareness campaigns to reduce stigma and promote mental health literacy.

### Acknowledgment:

The college extends its sincere gratitude to Mr. Suman Patra for his enlightening lecture and valuable insights on mental health.

## Outcome

- Participants gain a deeper understanding of the importance of water conservation, leading to heightened awareness about water-saving practices.
- The movie serves as an inspiration for participants to take proactive steps to save water in their daily lives, both individually and collectively.
- Viewers are motivated to adopt water-saving behaviors, such as fixing leaks, reducing wastage, and practicing responsible water use.
- The event fosters community engagement, as participants and viewers unite in their commitment to conserving water resources.
- Participants develop a sense of civic responsibility, recognizing their role in safeguarding this vital resource for future generations.
- Participants become advocates for water conservation, sharing their knowledge and encouraging others to take action to save water.
- The initiative initiates long-lasting change, with participants and viewers continuing to prioritize water conservation as part of their daily lives.

## **Report on Save Water Movie Screening Programme**

### **Executive Summary:**

The "Save Water Movie Screening" programme, organized by the Student Forum of Modern College of Computer Science and Information Technology, was a significant event dedicated to promoting water conservation awareness and inspiring responsible water use among students and the college community.

### **Programme Details:**

Date 10 September 2023 and Time: 11:30 AM

Objective: To raise awareness about water conservation, inspire water-saving behaviors, and emphasize the significance of responsible water use on Independence Day.

Participants: Students, Faculty Members, and College Staff.

### **Programme Highlights:**

Movie Screening: The event featured the screening of a powerful and thought-provoking movie focused on water conservation, highlighting the value of this precious resource.

Discussion Session: Following the movie screening, an interactive discussion session allowed participants to share their thoughts, insights, and ideas about water conservation.

Pledge for Water Conservation: Participants were encouraged to take a pledge to actively conserve water, both at the college and in their daily lives, committing to reducing water wastage.

### **Impact:**

The "Save Water Movie Screening" programme had a profound impact:

Heightened Awareness: Participants gained a deeper understanding of the importance of water conservation and responsible water use.

**Inspiration for Action:** The movie inspired participants to adopt water-saving practices, such as fixing leaks, reducing wastage, and practicing responsible water use.

**Community Engagement:** The event fostered a sense of community engagement, as participants and viewers united in their commitment to conserve water resources.

### **Future Initiatives:**

Building on the success of this event, the Student Forum plans to organize additional initiatives to continue promoting water conservation awareness and responsible water use.

### **Acknowledgments:**

We extend our sincere gratitude to all participants, including students, faculty members, and staff, for their enthusiastic participation in making the "Save Water Movie Screening" a meaningful and impactful event.

We also appreciate the support of the college administration in facilitating this essential water conservation initiative.

### **Conclusion:**

The "Save Water Movie Screening" effectively achieved its objectives by raising awareness, inspiring behavioral change, and fostering a commitment to water conservation. These outcomes reflect our dedication to safeguarding this vital resource and promoting responsible water use.

## CIRCULAR

**Dear Students & Staff Members,**

In observance of World AIDS Day on December 1, 2022, at 9:30 AM, our college is organizing a special event to raise awareness and promote understanding of HIV/AIDS within our college community.

**Program:**

Guest Lecture on HIV/AIDS awareness and prevention

We are honored to have two Police Inspectors join us from the nearby Police Station. They will share valuable insights and information during a guest lecture, focusing on the importance of awareness, prevention, and destigmatization of HIV/AIDS.

Your active participation is encouraged to make this event a success. Let us join hands to spread awareness and eliminate the stigma associated with HIV/AIDS.

Thank you for your cooperation.

## Invitation Letter

To

The Karti Chowk Police Station, Aurangabad City

Maharashtra State. 431001

**Subject: Invitation to Guest Lecture Program on HIV/AIDS**

We are pleased to invite you to a guest lecture program on HIV/AIDS featuring a distinguished guest speaker, a Police Inspector. The lecture is scheduled for December 1, 2022, at 09:30

The aim of this lecture is to raise awareness and educate our students about HIV/AIDS, particularly from a law enforcement perspective. The insights provided by our esteemed guest speaker will offer valuable perspectives on the role of law enforcement in addressing HIV/AIDS-related issues.

We believe that your participation in this event will greatly benefit our students and enhance their understanding of this important topic.

We kindly request you to accept our invitation and join us for this informative session.

Thank you for considering our invitation. We eagerly await your presence at the event.

Warm regards,

*K. Waghmare*

**Subject: Appreciation for Your Contribution to the Guest Lecture Program on HIV/AIDS**

On behalf of our College, I would like to extend our heartfelt appreciation for your invaluable contribution to our guest lecture program on HIV/AIDS held on December 1, 2022.

Your expertise and insights as a Police Inspector provided our students with a unique perspective on the issues surrounding HIV/AIDS, particularly from a law enforcement standpoint. Your informative session not only enhanced their understanding of the subject but also inspired them to consider the broader societal implications and the role of law enforcement in addressing such challenges.

We are truly grateful for your time, dedication, and commitment to educating and enlightening our students. Your participation significantly enriched the learning experience and contributed to the overall success of the event.

Once again, thank you for your invaluable contribution. We sincerely appreciate your support and look forward to the opportunity to collaborate with you again in the future.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

### REPORT: WORLD HIV/AIDS DAY COMMEMORATION

**Executive Summary:** On December 1, 2022, Modern College of Computer Science & Information Technology observed World AIDS Day with a program organized near the college campus. The event featured two police inspectors as guest speakers who provided valuable guidance to students regarding AIDS awareness and prevention. The program aimed to educate students and the local community about the importance of AIDS prevention and to dispel myths and misconceptions surrounding the disease.

#### Program Details:

- Date: December 1, 2022
- Time: 09:30 PM
- Venue: Near Modern College of Computer Science & Information Technology

#### Program Highlights:

- **Guest Speaker Sessions:** Two police inspectors delivered informative speeches on AIDS awareness, prevention, and the role of the community in combating the disease.
- **Interactive Workshops:** Workshops were conducted to educate students about safe practices and dispel myths and misconceptions about AIDS.
- **Counseling Sessions:** Counseling sessions were held to provide support and guidance to individuals affected by AIDS or HIV.
- **Distribution of Informational Material:** Brochures, pamphlets, and other informational material were distributed to raise awareness about AIDS prevention and treatment.
- **Candlelight Vigil:** A candlelight vigil was held to honor those who have lost their lives to AIDS and to show solidarity with those living with the disease.

## Key Elements of Effective Communication:

- **Clarity:** The guest speakers communicated complex information about AIDS in a clear and understandable manner, making it accessible to all participants.
- **Engagement:** Interactive workshops and counseling sessions engaged participants and encouraged them to actively participate in AIDS prevention efforts.
- **Empathy:** Speakers and organizers showed empathy towards individuals affected by AIDS, creating a supportive and inclusive environment.

## Impact:

- **Awareness:** The program raised awareness about AIDS prevention and dispelled myths and misconceptions about the disease.
- **Empowerment:** Participants felt empowered to take proactive measures to protect themselves and others from AIDS.
- **Community Support:** The program fostered a sense of community support for individuals affected by AIDS, reducing stigma and discrimination.

## Future Initiatives:

- **Continued Education:** The College plans to organize more educational programs and workshops on AIDS prevention and awareness.
- **Collaboration:** Efforts will be made to collaborate with local health authorities and organizations to further AIDS prevention initiatives.
- **Advocacy:** The College aims to advocate for AIDS awareness and prevention in the wider community, encouraging greater understanding and support for those affected by the disease.

## Acknowledgements:

The College extends its gratitude to the guest speakers, organizers, volunteers, and participants for their support and contribution to making the World AIDS Day program a success. Special thanks are also extended to the police inspectors for their valuable insights and guidance.

## Conclusion:

The World AIDS Day commemoration at Modern College of Computer Science & Information Technology was a significant step towards enhancing awareness and education about AIDS within the community. The event not only educated participants but also fostered a sense of solidarity and support for individuals affected by AIDS. The College remains committed to continuing these efforts and building on the momentum generated by this successful program.

- Facilitate a platform for knowledge exchange and open discussions between students, faculty, and guest speakers, encouraging diverse perspectives on human rights.
- Enhance legal and ethical awareness among students by highlighting the role of human rights in maintaining justice, fairness, and equality.
- Contribute to the professional development of students by exposing them to the expertise and experiences of professionals in the legal and governance sectors.
- Encourage critical thinking and analytical skills by addressing complex human rights issues and legal frameworks.
- Provide networking opportunities for students with esteemed speakers, fostering connections and potential mentorship in the legal and administrative fields.
- Inspire students to become advocates for human rights, empowering them to contribute positively to society through legal and ethical channels.
- Offer a practical understanding of the intersection between human rights principles and governance, emphasizing the role of responsible citizenship.
- Promote inclusivity and cultural awareness by exploring human rights in a global context, encouraging a respect for diversity and human dignity.

## Outcome

- Participants gained an enriched understanding of human rights principles through the insightful presentations and experiences shared by the guest speakers.
- Retired Judge Mr. Telgaonkar Uttam Laxmanrao provided valuable legal insights, offering a nuanced perspective on the legal dimensions of human rights.
- GST Officer Mr. Ravindra Jogdand illuminated the practical applications of human rights principles within the context of governance and taxation.
- The event inspired participants to actively engage with human rights issues, fostering a heightened awareness and sense of responsibility towards creating a just and equitable society.
- Participants benefited from a fruitful knowledge exchange, engaging in open discussions and dialogue with the guest speakers, faculty, and fellow students.
- The programme contributed to the enhancement of legal and ethical awareness, particularly regarding the role of human rights in maintaining justice, fairness, and equality.
- Students experienced significant professional development, gaining valuable insights from the speakers' experiences and perspectives in the legal and administrative fields.
- The event encouraged critical thinking and analytical skills by addressing complex human rights issues and legal frameworks in an interactive and engaging manner.
- Participants availed themselves of networking opportunities, establishing connections with esteemed speakers, potentially fostering mentorship in their respective fields.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022 -2023

## Report on Flag Hoisting :University Foundation Day

### Executive Summary:

The Human Rights Day Programme, held on December 10, 2022, at 01:00 PM, marked a significant event at our institution. Featuring Retired Judge Mr. Telgaonkar Uttam Laxmanrao as the Chief Speaker and GST Officer Mr. Ravindra Jogdand as the Guest Speaker, the programme aimed to enhance awareness and understanding of human rights among students. This report provides a comprehensive overview of the event, its highlights, and the lasting impact on the college community.

### Programme Details:

- Date: December 10, 2022
- Time: 01:00 PM
- Event: Human Rights Day Programme
- Chief Speaker: Retired Judge Mr. Telgaonkar Uttam Laxmanrao
- Guest Speaker: GST Officer Mr. Ravindra Jogdand
- Guidance: The speakers provided insightful guidance to students on Human Rights Day.

### Programme Highlights:

#### 1. Legal Insights:

Retired Judge Mr. Telgaonkar Uttam Laxmanrao shared profound legal insights into human rights, offering a comprehensive understanding of the subject.

#### 2. Practical Applications:

GST Officer Mr. Ravindra Jogdand illuminated the practical applications of human rights principles, providing real-world examples within the context of governance and taxation.

### 3.Guidance for Students:

Both speakers offered invaluable guidance to students, emphasizing the importance of human rights principles in their academic and professional journeys.

### Key Elements of Effective Communication:

#### 1.Clarity of Message:

The event-maintained clarity of communication, ensuring that the messages delivered by the speakers resonated with the audience.

#### 2.Engaging Presentations:

The speakers delivered engaging presentations, utilizing effective communication techniques to captivate the audience and sustain their interest.

#### 3.Interactive Session:

An interactive session facilitated open communication, allowing students to actively engage with the speakers, fostering a dynamic learning environment.

#### 4.Case Studies and Examples:

Real-world case studies were presented, highlighting instances where human rights principles intersected with legal frameworks, offering students practical insights into the subject.

### Impact:

#### 1.Enhanced Awareness:

The programme significantly enhanced awareness and understanding of human rights principles among participating students.

#### 2.Inspired Advocacy:

The event inspired students to become advocates for human rights, instilling a renewed commitment to social justice and ethical citizenship.

### 3.Future Initiatives:

Future initiatives will focus on building upon the success of the Human Rights Day Programme, with an emphasis on continued education, advocacy, and community engagement related to human rights issues.

### Acknowledgment:

We express our sincere gratitude to Retired Judge Mr. Telgaonkar Uttam Laxmanrao and GST Officer Mr. Ravindra Jogdand for their valuable contributions and guidance during the Human Rights Day Programme.

### Question and Answer Session:

A lively question and answer session provided students with the opportunity to seek clarification, share experiences, and further engage with the speakers.

### Conclusion:

The Human Rights Day Programme served as an enriching experience, equipping students with knowledge, inspiration, and a sense of responsibility towards upholding human rights principles in their personal and professional lives. The impact of the event is expected to resonate positively within the college community.

## CIRCULAR

**Dear Students & Staff Members,**

We are pleased to inform you about the "Road Safety" programme organized by our dedicated Student Forum. On 23rd August 2023, at 09:00 AM, our students will be actively participating in a road safety awareness campaign. They will distribute roses to people at signals, advocating for responsible driving practices, including wearing helmets and refraining from using mobile phones while driving.

Join us in promoting road safety and making our streets safer for all!

Thank you for your participation and support.

Sincerely,

Principal

(Affiliated to Dr. B.A.M.U. University, Chh. Sambhajinagar)

## Outcome

- Many individuals were inspired to change their behaviour by pledging to wear helmets and avoid using mobile phones while driving. This indicated a shift towards safer driving habits.
- The approach of distributing roses was well-received by the local community. It fostered positive engagement and conversations about road safety, creating a sense of shared responsibility among participants.
- The distribution of roses served as a powerful and memorable symbol of road safety. It acted as a visual reminder of the importance of valuing one's safety and the safety of others on the road.
- Participants and onlookers became advocates for road safety, spreading the message and promoting responsible driving practices within their social circles and communities.
- The activity had a broader impact on the community by promoting a culture of road safety, potentially leading to safer roads and reduced accidents in the area.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

## Report on Road Safety

### Executive Summary:

The "Road Safety" programme organized by the Student Forum of Modern College of Computer Science and Information Technology on 23rd August 2023 was a commendable initiative. The primary focus of this programme was to raise awareness about road safety and promote responsible driving practices, including wearing helmets and refraining from using mobile phones while driving. The method employed involved the distribution of roses to individuals at traffic signals, serving as a symbolic reminder of these crucial road safety practices.

### Programme Details:

Date and Time: 23rd August 2023, 09:00 AM

**Objective:** To create awareness about road safety, emphasizing the use of helmets and discouraging mobile phone usage while driving.

Participants: Students, Faculty Members, and Volunteers.

### Programme Highlights:

**Roses Distribution:** The heart of the programme was the distribution of roses to individuals at traffic signals. This thoughtful gesture was intended to engage with the local community and communicate the importance of road safety.

**Awareness Messages:** Along with roses, informational pamphlets and banners were distributed, carrying messages about wearing helmets and refraining from mobile phone use while driving. These materials further reinforced the message.

*A. S. Ingare*

PARMITA EDUCATION SOCIETY

# MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'bad" (Affiliated to Dr. B.A.M.U. University, Chh. Sambhajinagar)

**Interactive Campaign:** Participants engaged with commuters and pedestrians, initiating conversations about road safety. This interactive approach facilitated open discussions and made the awareness campaign more impactful.

**Pledge for Safety:** A pledge ceremony was held, where attendees could publicly commit to adhering to road safety practices, including helmet usage and avoiding mobile phone distractions.

### Impact:

The "Road Safety" programme had a significant impact:

**Awareness Creation:** The activity successfully raised awareness among participants and the local community about the importance of road safety practices.

**Behavioral Change:** Many individuals expressed a commitment to wearing helmets and not using mobile phones while driving, indicating a potential shift in behavior towards safer practices.

**Community Engagement:** The programme fostered positive community engagement and discussions about road safety, creating a sense of shared responsibility.

### Future Initiatives:

Building on the success of this programme, we intend to organize more initiatives aimed at road safety and responsible driving practices. Future activities may include workshops, safety drives, and collaborative efforts with local authorities.

### Acknowledgments:

We extend our sincere gratitude to all participants, including students, faculty members, and volunteers, who contributed to the success of the "Road Safety" programme. Your dedication to promoting road safety is commendable.

We also thank the college administration for their support and encouragement in organizing impactful initiatives.

## Outcome

- Participants experienced improved physical health, increased flexibility, and enhanced fitness levels through the practice of yoga postures.
- The yoga session contributed to reduced stress levels, enhanced mental clarity, and an overall improvement in participants' mental well-being.
- The event successfully cultivated a culture of embracing a healthy lifestyle among participants, encouraging them to integrate yoga into their daily routines.
- Participants developed mindfulness and awareness, connecting with their bodies and minds during the yoga session.
- The shared participation in Yoga Day fostered a sense of community and unity among students and staff, creating a positive and inclusive environment.
- Participants learned practical stress reduction and relaxation techniques, providing them with valuable tools for managing stress in their lives.
- The event successfully educated participants about the principles and philosophy of yoga, promoting a deeper understanding of its holistic approach to health.
- Yoga practices aimed at enhancing concentration and focus resulted in improved mental sharpness and cognitive abilities among participants.
- Participants experienced increased energy levels and vitality through the yoga session, contributing to heightened productivity and overall energy balance.
- The event motivated participants to consider regular physical activity, with many expressing a desire to continue incorporating yoga into their routines.
- Participants gained practical stress relief tools that could be easily integrated into their daily lives, contributing to ongoing mental health benefits.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

## Report on Yoga Day

### Executive Summary:

The Yoga Day event held at the Modern College of Computer Science and Information on 23rd August 2023 was a resounding success. This initiative aimed to promote holistic well-being among students and staff through the practice of yoga. With active participation and engagement, the event achieved its goals of fostering physical and mental wellness.

### Programme Details:

- Date: 23rd August 2023                      Time: 08:30 am

### Programme Highlights:

#### 1. Guided Yoga Session:

- A certified yoga instructor led participants through a guided yoga session, incorporating a variety of postures and breathing exercises.

#### 2. Provision of Mats:

- Mats were provided to all participants to ensure a comfortable and enjoyable yoga experience.

#### 3. Inclusive Participation:

- The event saw inclusive participation from both students and staff, creating a sense of unity and community within the college.

#### 4. Mindfulness and Meditation:

- Special emphasis was placed on mindfulness and meditation practices, promoting mental clarity and relaxation.

## Key Elements of Effective Communication:

### 1. Clear Instructions:

The instructor communicated instructions clearly, ensuring participants of all levels could follow along.

### 2. Encouragement and Motivation:

Verbal communication focused on encouragement and motivation, creating a positive and uplifting atmosphere.

### 3. Demonstration:

The instructor effectively used demonstrations to illustrate proper postures and techniques, aiding understanding.

### Case Studies and Example:

A case study showcased the transformation of an individual who consistently practiced yoga, highlighting improvements in physical health and mental well-being.

### Impact:

The impact of the Yoga Day event was evident in the improved energy levels, reduced stress, and enhanced overall well-being reported by participants. The positive atmosphere fostered a sense of community and well-being within the college.

### Future Initiatives:

Future initiatives include the incorporation of regular yoga sessions into the college schedule and the exploration of advanced workshops to cater to varying levels of expertise.

### Acknowledgment:

We express gratitude to the certified yoga instructor and all participants for their active involvement and enthusiasm in making Yoga Day a success.

## Question and Answer Session:

A brief Q&A session allowed participants to seek further guidance on yoga practices and well-being.

## Conclusion:

The Yoga Day event not only celebrated the ancient practice of yoga but also contributed significantly to the overall well-being of the college community. The positive impact observed underscores the importance of integrating such holistic practices into our college culture.

Thank you to everyone who contributed to the success of this event.

## CIRCULAR

Dear Students & Staff members,

We are excited to inform you about the upcoming **\*\*Blood Donation Camp\*\*** organized under the Student Forum. Details of the event are as follows:

\*Event: **\*\* Blood Donation Camp**

\*Date: **\*\* October 9, 2023**

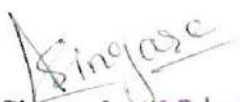

**\*\*Time: \*\* 1:00 PM**

\*Location: **\*\* Our college premises**

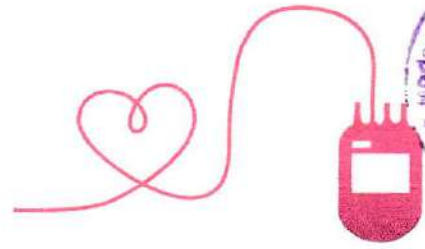

As part of this noble initiative, we encourage all students and staff to participate in this event. Your blood donation can save lives and make a significant difference in the community. To ensure the well-being of our donors, we will be distributing fresh fruits. We kindly request all donors to have some fruits after donating blood.

Your support and participation are highly appreciated. Let's come together to make this event a success and contribute to the welfare of our community.

We look forward to your active participation.

  
Sincerely, **IC Principal**  
Modern College of Computer Science & I.T.,  
Principal. Aurangabad.

participation is a testament to our commitment to our community.

- Through this event, we emphasize the importance of maintaining good health and well-being. Donating blood is a selfless act that also highlights the significance of a healthy lifestyle.

## Outcome

- The Blood Donation Camp, held in collaboration with the Civil Hospital, witnessed an overwhelming response from the college community and beyond, resulting in a substantial collection of blood units.
- The voluntary blood donations made at the camp significantly contributed to the blood bank's supply, ensuring that the hospital could meet the needs of patients effectively.
- The event strengthened the bond between Tulsi College of Computer Science and Information Technology and the Civil Hospital, fostering a sense of unity and collaboration for future health initiatives.
- The selfless act of blood donation exemplified the spirit of service and community support, with the potential to save numerous lives in times of need.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

## Report on 'Blood Donation' Camp

### Executive Summary:

The Blood Donation Camp, a collaborative initiative between Tulsi College of Computer Science and Information Technology and the Civil Hospital, took place on October 9, 2023. This program aimed to promote voluntary blood donation among students and the community, while also contributing to the local blood bank's stock.

### Program Details:

Date: October 9, 2023

Time: 1:00 PM

Organizer: Civil Hospital

### Program Highlights:

**Generous Donations:** The event attracted a significant number of voluntary blood donors from the college and the surrounding community, resulting in an impressive collection of blood units.

**Community Collaboration:** The collaboration with the Civil Hospital enhanced the event's credibility and allowed for efficient management of the donation process.

**Health Education:** The event included informative sessions on the importance of blood donation, creating awareness and dispelling myths related to the process.

### Impact:

A substantial quantity of blood units was collected, which could potentially save many lives in critical situations.

The event fostered a sense of community responsibility and solidarity.

(Affiliated to Dr. B.A.M.U. University, Chh. Sambhajinagar)

## Future Initiatives:

The success of this event has encouraged the college and the Civil Hospital to plan future health-related initiatives, including more blood donation drives and health awareness programs.

## Acknowledgment:

We extend our heartfelt thanks to the Civil Hospital for their support and collaboration in making this event a success. We also appreciate the enthusiasm and selflessness of the donors who made this initiative a significant accomplishment.

## Conclusion:

The Blood Donation Camp was a resounding success, with the college community and local residents joining hands to contribute to this noble cause. The event exemplified the spirit of altruism and community support, underscoring the importance of such initiatives for the well-being of society. We look forward to organizing more such events in the future to continue making a positive impact on our community.

## CIRCULAR

Dear Students and Staff Members,

In commemoration of World AIDS Day, Modern College of Computer Science and Information Technology invites all students and staff to join us for a special event.

**Topic:** World AIDS Day Celebration - Documentary Screening and Red Ribbon Day

**Date:** 1st December 2023

**Timing:** 12:00 PM

As part of our commitment to raising awareness about HIV/AIDS, we will be showing a documentary movie that sheds light on the impact of AIDS and the importance of awareness and prevention. Additionally, we encourage everyone to wear a red ribbon to show support for those affected by HIV/AIDS.

Let's come together as a community to learn, raise awareness, and show solidarity on this significant day.

Your presence is highly appreciated.

Best Regards,

- Emphasis on the importance of regular HIV testing during the event encouraged individuals to consider and prioritize their health by seeking testing services.
- Discussions and awareness initiatives during the World AIDS Day celebration contributed to promoting responsible behavior, encouraging individuals to make informed choices to prevent the transmission of HIV.
- The event successfully highlighted the global impact of HIV/AIDS, fostering a sense of shared responsibility and awareness of the broader implications of the disease.
- The activity inspired a sense of activism among participants, encouraging ongoing engagement in campaigns and activities related to HIV/AIDS awareness beyond the specific event.
- Increased awareness led to a better understanding of support services available for individuals living with HIV/AIDS and their families, creating a more informed and supportive community.
- The World AIDS Day activity contributed to fostering a health-conscious campus environment, where students and staff prioritized their well-being and engaged in discussions and activities that promoted overall health.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

## Report on World AIDS Day

### Executive Summary:

Modern College of Computer Science and Information commemorated World AIDS Day on December 1, 2023, with a special event featuring a documentary screening and Red Ribbon Day. The objective was to raise awareness, educate, and promote solidarity among students regarding HIV/AIDS. This report encapsulates the key aspects and outcomes of the celebration.

### Programme Details:

- **Time:** 12:00 PM
- **Event:** World AIDS Day Celebration - Documentary Screening and Red Ribbon Day

### Programme Highlights:

1. **Documentary Screening:** A thought-provoking documentary on HIV/AIDS was screened, providing valuable insights into the impact and prevention of the disease.
2. **Red Ribbon Day:** Students actively participated in Red Ribbon Day, symbolizing support for individuals affected by HIV/AIDS and promoting awareness.
3. **Interactive Activities:** Engaging activities and discussions were incorporated to encourage active participation and reflection.

### Key Elements of Effective Communication:

- **Clarity and Relevance:** Information was communicated clearly and directly, ensuring that students grasped the relevance of the content.
- **Engagement Techniques:** Various engagement techniques, including discussions and interactive elements, kept participants involved throughout the event.
- **Visual Aids:** The use of visual aids enhanced the effectiveness of communication, providing a visual context for complex information.

(Affiliated to Dr. B.A.M.U. University, Chh. Sambhajinagar)

## Case Studies and Examples:

- Real-life case studies were presented, illustrating the impact of HIV/AIDS on individuals and communities.

## Impact:

1. **Increased Awareness:** The event significantly increased awareness among students about the prevalence, prevention, and impact of HIV/AIDS.
2. **Empowered Students:** Participants felt empowered to take proactive steps in promoting awareness and dispelling myths related to HIV/AIDS.
3. **Community Solidarity:** Red Ribbon Day fostered a sense of community solidarity, demonstrating support for those affected by HIV/AIDS.

## Future Initiatives:

- Plans are underway to conduct regular awareness sessions on health-related topics, with a focus on promoting a healthier campus environment.

## Acknowledgment:

The college extends sincere appreciation to all participants, guest speakers, and volunteers who contributed to the success of the World AIDS Day celebration.

## Question and Answer Session:

An interactive Q&A session allowed students to seek clarification, share personal experiences, and engage in meaningful discussions.
