ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2020-2021

Report - One Day Online Workshop on Financial Literacy

Executive Summary:

The workshop on **Financial Literacy**, led by Prof. Prakash Pradhan, aimed to educate participants about fundamental financial concepts and practices. The program highlighted key elements of effective communication, discussed the impact of financial literacy on personal finance management, and proposed future initiatives. Attendees engaged in interactive sessions and a dynamic Q&A session, gaining valuable insights into financial planning and management. The workshop concluded with a call to action for participants to apply their newfound knowledge to improve their financial well-being.

Programme Details:

- Date: December 24, 2020
- Time: 12:00 pm
- Venue: Online
- Guest Speaker: Prof. Prakash Pradhan
- Organizer: Modern College of Computer Science & Information Technology
- Topic: Financial Literacy

Programme Highlights:

- **Introduction to Financial Literacy:** Prof. Pradhan provided an overview of financial literacy and its importance in personal finance management.
- **Budgeting Basics:** The workshop explored the basics of budgeting, including creating and maintaining a budget.
- **Saving and Investing:** Participants learned about the importance of saving and investing for financial security and growth.

Reg. No. F-11895/"A'Bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

- **Debt Management:** Prof. Pradhan discussed strategies for managing debt effectively and avoiding debt traps.
- **Financial Planning:** The workshop highlighted the importance of financial planning for achieving financial goals.
- **Understanding Credit:** Participants gained an understanding of credit, including how credit scores are calculated and how to improve them.
- **Risk Management:** Prof. Pradhan explained the concept of risk management in financial decision-making.
- **Retirement Planning:** The workshop discussed the importance of retirement planning and strategies for building a retirement fund.
- **Insurance Basics:** Participants learned about the different types of insurance and their role in financial planning.
- **Economic Outlook:** Prof. Pradhan shared insights into the current economic outlook and its implications for personal finance.

Key Elements of Effective Communication:

- **Clarity:** Ensuring clear and concise communication of financial concepts and practices.
- **Engagement:** Engaging participants through interactive activities and real-life examples.
- **Relevance:** Making the content relevant to participants' financial goals and circumstances.
- **Empathy:** Understanding and empathizing with participants' financial challenges and concerns.
- **Feedback:** Soliciting feedback from participants to improve communication and content delivery.

Impact:

- **Improved Financial Knowledge:** Participants gained a deeper understanding of financial concepts and practices.

DEFINITIONS OF SOFT SKILLS

"Soft skills refer to all aspects of generic skills that include the cognitive elements associated with non-academic skills. Soft skills are identified as the most critical skills in the current global job market especially in a fast-moving era of technology."

"Soft skills contribute to a person's ability to manage him or herself and relate to other people skills which matter twice as much as IQ or technical skills in job success."

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2022-2023

Report on Online Guest Lecture on Soft Skill

Executive Summary:

The online session on "Soft Skills" conducted by Assistant Professor Dr. Nirmal Padamavat from Nutan College, Selu, on February 24, 2022, at 12:00 PM was a highly informative and engaging event. The session aimed to enhance students' soft skills, including communication, teamwork, and leadership, essential for their academic and professional success. The event was well-received by students, who actively participated in the discussions and activities.

Program Details:

- Date: January 24, 2022
- Time: 11:30 AM
- Presenter: Assistant Professor Dr. Nirmal Padamavat from Nutan College, Selu

Programme: The programme included presentations by Dr. Nirmal Padamavat on various aspects of soft skills, interactive activities to practice and develop these skills, and a question-and-answer session.

Key Elements of Effective Communication:

- Clear and concise messaging.
- Engaging presentations and interactive activities.
- Encouragement of active participation and questions.

Case Studies and Examples: Case studies were presented to illustrate the importance of soft skills in real-life scenarios. Examples of effective communication, teamwork, and leadership were also shared to provide practical insights.

Aurangabad.

PARMITA EDUCATION SOCIETY

MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'Bad"

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

Impact: The session had a significant impact on students, who gained valuable insights into the importance of soft skills and how they can enhance their personal and professional lives. Many students expressed a desire to further develop their soft skills and apply them in their future endeavors.

Future Initiatives: Future initiatives include organizing similar sessions on soft skills with other guest speakers and incorporating soft skills training into the college curriculum.

Acknowledgment: We would like to acknowledge Assistant Professor Dr. Nirmal Padamavat for her valuable insights and engaging presentation. Special thanks to Nutan College, Selu, for their collaboration in organizing this event.

Question and Answer Session: The event concluded with a lively question and answer session, where students had the opportunity to seek clarification and further information from Dr. Nirmal Padamavat.

Conclusion: In conclusion, the online session on "Soft Skills" was a valuable learning experience for students, providing them with practical skills and knowledge that will benefit them in their academic and professional journey.

Report on Hairstyle Competition

Executive Summary:

The event aimed to showcase the diversity and beauty of Indian cultural and knowledge systems through innovative and artistic hairstyles, students from various departments enthusiastically participated in the competition, each displaying their creativity and skill in hairstyling.

Program Details:

Date: 12th March 2022

Time: 11:00 pm onwards

Venue: Modern College of Computer Science and I.T., Chh.Sambhajinagar

Program Highlights:

Students from different Backgrounds actively took part in the competition. The participants demonstrated their talent by designing unique hairstyles that reflected their individuality and cultural heritage. The event witnessed a remarkable level of enthusiasm and talent from the participants, making it a highly engaging and entertaining experience for everyone involved.

1.Introduction and Welcome Address:

The event commenced with a welcome address by the principals colleges, highlighting the significance of creativity and collaboration.

2.Made Hairstyles:

Various Participants made Hairstyles on selected model/individuals

3.Judging Criteria:

Designs were judged based on creativity, innovation, use of materials, aesthetics, and overall presentation.

4.Rules and regulations:

4.1 All Hairstyle must be done by the competitor only

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

Report on Fruit Decoration Competition

Executive Summary

On Jan 23, 2023, Modern College of Computer Science & Information Technology, in collaboration with Vikramshila College of Fashion Design, Aurangabad, organized a unique competition where students created dresses made entirely out of fruits. The event aimed to foster creativity, innovation, and teamwork among students while promoting healthy living and sustainability. The competition showcased the artistic talents of students and emphasized the importance of using natural materials creatively. The event was well-received, with enthusiastic participation and innovative designs that impressed both the audience and judges.

Programme Details

- Date: 23 Jan 2023
- Time: 12:00 PM
- Participants: Students from both Modern College of Computer Science & Information Technology and Vikramshila College of Fashion Design, Aurangabad
- Judges: Panel of faculty members from both institutions and guest fashion designers

Programme Highlights

1. Introduction and Welcome Address:

The event commenced with a welcome address by the principals of both colleges, highlighting the significance of creativity and collaboration.

2. Presentation of Dress Designs:

Students presented their fruit-made dresses through an online platform, showcasing the process and materials used in creating their designs.

Venue: Modern College of Computer Science and I.T., Chh.Sambhajinagar

Program Highlights:

Mehndi, otherwise known as henna, is a paste associated with positive spirits and good luck. This competition was organized to seek and develop the traditional values among them.

Students enthusiastically participated in the competition. They displayed their artistic designs through an array of mehndi on hands. Some were old and common but some designs were unique and trendy

. Students created beautiful designs in different themes. Mehndi reflects the rich Indian culture bringing together the knowledge of medicinal herbs with many lovely sentiments and beliefs.

It is said that the deeper color of the Mehndi on the hands symbolizes the profound love In some communities, the darkness of the Mehndi indicates the strength of the relationship

Winners were announced based designs and overall aspect.

1.Introduction and Welcome Address:

The event commenced with a welcome address by the principals colleges, highlighting the significance of creativity and collaboration.

MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'bad"(Affiliated to Dr. B.A.M.U. University, Chh.Sambhajinagar)

2.Mehndi Drawing:

Various Participants made mehndi Designs on Hands of others peoples

3.Judging Criteria:

Designs were judged based on creativity, innovation, use of materials, aesthetics, and overall presentation.

4.Rules and regulations:

4.1 Mehndi design should be creative and unique.

4.2 Mehndi design should be portrayed on one hand till elbow.

4.3 Mehndi design must cover one hand and also must be covering both side of palm.

5.Live Demonstrations:

Some participants provided live demonstrations of their techniques and shared insights into their creative process

6.Interactive Sessions:

The event included interactive sessions where participants answered questions from the judges and audience.

7. Award Ceremony:

Prizes were awarded to the top three designs, with special mentions for outstanding creativity and innovation.

8.Closing Remarks:

The event concluded with closing remarks from the organizing committee, expressing gratitude to all participants and collaborators.

Key Elements of Effective Communication

1.Clear Instructions:

Detailed guidelines and instructions were provided to participants well in advance to ensure clarity and understanding.

Reg. No. F-11895/"A'bad"(Affiliated to Dr. B.A.M.U. University, Chh.Sambhajinagar)

2. Engaging Content:

Visual aids, including photos and videos of the mehndi-making process, were used to engage the audience.

3. Interactive Platform:

The online platform facilitated interactive sessions, allowing real-time questions and feedback from the audience and judges.

4. Feedback Mechanism:

Participants received constructive feedback from judges, helping them understand their strengths and areas for improvement.

Impact

1. Enhanced Creativity:

The competition stimulated students' creative thinking and encouraged them to explore innovative ways of using natural materials.

2. Teamwork and Collaboration:

Participants worked in teams, fostering collaboration and enhancing their ability to work together effectively.

3. Increased Awareness:

The event raised awareness about sustainability and the potential of using natural materials in creative projects.

4. Skill Development:

Students developed skills in design, presentation, and problem-solving, which are valuable in both academic and professional contexts.

5. Community Engagement:

The event engaged the broader college community, including faculty, students, and external judges, promoting a sense of community and shared purpose.

Future Initiatives

1. Regular Competitions:

Plan similar creative competitions regularly to continue fostering creativity and innovation among students.

2. Workshops and Training:

Organize workshops on sustainable design and the use of natural materials to provide students with additional skills and knowledge.

3. Collaborative Projects:

Initiate more collaborative projects between various College to strengthen the partnership and enhance learning opportunities.

4. Publication of Designs:

Compile and publish a catalog of the designs created during the competition to showcase students' work and inspire others.

Acknowledgment

We extend our heartfelt thanks to Dr. Asmita Sharad Salve and the organizing committee for their efforts in planning and executing the competition. Special thanks to the faculty and guest judges for their valuable input and to the students for their enthusiastic participation.

Questions & Answers Session

1. Engaging Dialogue:

The Q&A session allowed judges and audience members to engage with participants, asking about their design choices and techniques.

2. Technical Insights:

Participants shared technical insights into the challenges they faced and how they overcame them, providing learning opportunities for others.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2018-2019

Report: "Independence Day Programme"

Executive Summary:

The "Independence Day Programme" organized by the Student Forum on 15th August 2023 was a vibrant celebration of India's Independence Day. The event included a General Knowledge quiz competition, captivating solo dance performances, and electrifying group dance routines. This report provides a detailed overview of the event, including its impact, future initiatives, acknowledgments, and a concluding note.

Program Details:

Date: 15th August 2023

Time: 8:00 AM

Program Highlights:

The "Independence Day Programme" was a jubilant event featuring:

General Knowledge Quiz Competition: A challenging quiz that tested participants' knowledge of India's history, culture, and freedom struggle.

Solo Dance Performances: Enthusiastic students showcased their individual dance talents, interpreting the spirit of independence through dance.

Group Dance Routines: Energetic group dance performances celebrating the diversity and unity of India.

Impact:

The event had a significant impact:

Patriotic Spirit: Participants and the audience were immersed in a patriotic spirit, rekindling their love for the nation.

A. Singh
Principal

PARMITA EDUCATION SOCIETY

MODERN COLLEGE

OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

Reg. No. F-11895/"A'bad"

(Affiliated to Dr. B.A.M.U. University, Chh. Sambhajinagar)

Knowledge Enhancement: The quiz competition contributed to the enhancement of general knowledge among the participants.

Artistic Expression: Dance performances served as a form of artistic expression, conveying the essence of freedom.

Community Bonding: The event brought students together in the celebration of a common cause, fostering a sense of unity.

Future Initiatives:

Future initiatives will continue to celebrate important national events and promote unity, knowledge sharing, and artistic expression among students.

Acknowledgment:

We extend our appreciation to the students for their enthusiastic participation, the organizing team for their efforts, and the audience for their support.

Conclusion:

The "Independence Day Programme" was a resounding success, commemorating India's freedom with enthusiasm and fervor. It reinforced the spirit of patriotism, knowledge enhancement, and artistic expression. We look forward to more such celebratory initiatives that inspire unity and national pride among our students.

Respected Prof. Sonkamble Kiran Vishwanthrao,

We are delighted to extend an invitation to you on behalf of Modern College of Computer Science and Information Technology. We cordially invite you to deliver a guest lecture to our students on the intriguing topic of "**Sentiment Analysis.**"

Details of the event are as follows:

Date: October 31, 2023 Time: 12:00 PM

Your expertise in the field of Sentiment Analysis is widely recognized, and we believe that your insights and knowledge will greatly benefit our students. Your experience and profound understanding of this subject make you an ideal candidate to guide and inspire the future generation of computer science and information technology professionals.

We kindly request you to share your valuable insights, experiences, and knowledge with our students during this lecture. Your guidance will be instrumental in expanding their understanding of Sentiment Analysis, a topic of immense relevance in today's digital age.

Your participation in this event will not only provide our students with an opportunity to learn from a distinguished expert but also contribute to the enrichment of their academic experience. We are confident that your lecture will be both enlightening and inspiring.

We sincerely hope that you can honor us with your presence and expertise on October 31, 2023. Your guidance is highly anticipated and eagerly awaited by our students and faculty.

Thank you for considering our invitation, and we look forward to your positive response.

Sincerely,

Principal
Modern College of Computer Science & I.T.,
Aurangabad.

To

Prof. Sonkamble Kiran Vishwanthrao

We hope this letter finds you well. On behalf of the Modern College of Computer Science and Information Technology, I would like to extend our heartfelt gratitude to you for your invaluable contribution as a guest speaker at our recent lecture on "Sentiment Analysis."

Your expertise and insights on the topic left a lasting impact on our students, faculty, and the entire institution. Your ability to simplify complex concepts and engage the audience was truly remarkable. The knowledge you shared and the real-world examples you provided greatly enhanced our students' understanding of Sentiment Analysis, making the subject more approachable and relevant.

Your dedication to guiding our students was evident throughout your lecture, and it has undoubtedly inspired them to pursue their studies with even greater enthusiasm. Your willingness to answer questions and interact with our students both during and after the lecture further enriched their learning experience.

We deeply appreciate the time and effort you devoted to our institution. Your contribution has not only broadened our students' horizons but also strengthened our commitment to providing them with the best possible educational opportunities.

Once again, thank you for your dedication and expertise in guiding our students. We are truly grateful for your visit and hope to welcome you back to our institution in the future.

Thank you, Prof. Sonkamble Kiran Vishwanthrao, for your invaluable contribution.

Sincerely,

Asingare

Outcome

- The lecture provided students with a deeper understanding of the concepts, methodologies, and applications of sentiment analysis in various domains.
- Prof Sonkamble Kiran Vishwanthrao shared practical insights and real-world examples, helping students connect theoretical knowledge to practical scenarios.
- Students acquired new skills related to sentiment analysis, including the use of relevant tools, techniques, and best practices.
- The session facilitated interactive learning, allowing students to actively engage with the expert, ask questions, and participate in discussions.
- The expertise and guidance provided by Prof Sonkamble Kiran Vishwanthrao served as a source of inspiration for students, motivating them to explore and excel in the field.
- Students had the opportunity to network with the guest speaker, fostering potential mentorship and future collaboration.
- The lecture emphasized the industry relevance of sentiment analysis, aligning students with current trends and requirements in the professional landscape.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

Report Workshop on : Sentiment Analysis

Executive Summary:

The Modern College of Computer Science and Information Technology, through the Student Forum, hosted a guest lecture on "*Sentiment Analysis.*" Prof. Sonkamble Kiran Vishwanthrao, an accomplished M.Tech and Research Scholar, served as the guest speaker. The session was designed to provide valuable insights into Sentiment Analysis.

Programme Details:

- Title: Guest Lecture on Sentiment Analysis
- Date: October 31 2023
- Time: 12:00 PM
- Speaker: Prof. Sonkamble Kiran Vishwanthrao

Programme Highlights:

Prof. Sonkamble Kiran Vishwanthrao shared his expertise on Sentiment Analysis, guiding our students through the intricacies of the subject. The lecture focused on key concepts, methodologies, and practical applications, enhancing the participants' understanding of this important field.

Impact:

The session had a positive impact on the participating students, providing them with valuable knowledge and practical insights into Sentiment Analysis. Prof. Sonkamble's guidance contributed to a deeper understanding of the subject and its real-world applications.

Future Initiatives:

Encouraged by the success of this event, the Student Forum looks forward to organizing more guest lectures and workshops, bringing in experts to share their knowledge on various topics within the realm of computer science and information technology.

Acknowledgment:

We extend our heartfelt thanks to Prof. Sonkamble Kiran Vishwanthrao for generously sharing his time and knowledge, making the guest lecture a meaningful and enriching experience for our students.

Conclusion:

The Guest Lecture on Sentiment Analysis, guided by Prof. Sonkamble Kiran Vishwanthrao, was a valuable addition to our academic endeavors. It contributed to the academic growth of our students and motivated us to continue organizing such insightful events.

INVITATION LETTER

Respected Prof. Gautam Adhagale,

We hope this letter finds you in excellent health and high spirits. On behalf of Modern College of Computer Science and Information Technology, it is our distinct honor to extend an invitation to you as a guest speaker for our esteemed institution.

We have organized a special event focusing on "*Personality Development*" for our college students, and we believe that your expertise and insights in this field make you the perfect candidate to share your wisdom with our students.

Event Details: Date: November 4, 2023 Time: 12:00 PM

Personality development is a vital aspect of a student's life, and your knowledge and experience in this area are exemplary. Your distinguished career and dedication to helping individuals grow both personally and professionally align perfectly with the goals and aspirations of our college.

Your guidance during this event will undoubtedly provide our students with valuable insights, inspiration, and practical strategies to enhance their personal and professional development.

We kindly request you to accept our invitation and confirm your participation as a guest speaker. Your presence at our institution will make a significant impact on the lives of our students and contribute to their holistic development.

Please inform us at your earliest convenience if you can join us on November 4, 2023. We will take care of all the logistical arrangements to ensure a smooth and productive event.

Your willingness to share your expertise with our students is greatly appreciated, and we eagerly await your response and confirmation.

Thank you for considering our invitation, Prof. Gautam Adhagale. We are excited about the opportunity to have you as our guest speaker and to provide our students with your valuable insights on "Personality Development."

Warm regards,

Singare

APPRECIATION LETTER

Date : 04/11/20 23

Respected Prof. Gautam Adhagale

I trust this letter finds you well. On behalf of Modern College of Computer Science and Information Technology, I am writing to express our deepest appreciation for your significant contribution as a guest speaker during our recent event focused on "Personality Development."

Your insightful and inspiring talk left an indelible mark on our students and the entire college community. Your knowledge and expertise in this field, coupled with your ability to connect with the audience, have made a profound impact on their understanding and aspirations for personal and professional growth.

Your guidance on "**Personality Development**" has equipped our students with valuable insights, practical strategies, and the motivation to enhance themselves on this journey. Your commitment to helping individuals reach their full potential is truly commendable and aligns perfectly with our educational goals.

We are profoundly grateful for your time, dedication, and the depth of knowledge you shared with our students. The impact of your lecture will undoubtedly be felt in the personal and professional lives of those who attended.

Your willingness to be a part of our institution's academic journey is deeply appreciated, and we hope to continue this wonderful association in the future. We look forward to the possibility of hosting you again to provide further guidance and inspiration to our students.

Once again, thank you, Prof. Gautam Adhagale, for your invaluable contribution and for making a positive difference in the lives of our students. Your wisdom and insights have enriched our institution and our students' educational experiences.

Warm regards,

Singare
Principal.

ACTIVITY ORGANISED REPORT

ACADEMIC YEAR 2023-2024

REPORT OF GUEST LECTURE ON PERSONALITY DEVELOPMENT

Executive Summary:

The Guest Lecture on "Personality Development" organized by the Student Forum at Modern College of Computer Science and Information Technology was a transformative and enriching experience. Renowned speaker Prof. Gautam Adhgale shared valuable insights and guidance to enhance the personality development of our students.

Programme Details:

- Guest Speaker: Prof. Gautam Adhgale
- Topic: Personality Development
- Date: November 4, 2023
- Time: 12:30 PM

Programme Highlights:

Key Concepts of Personality Development:

- Prof. Adhgale covered fundamental concepts and principles essential for personal growth and development.

Case Studies and Real-Life Scenarios:

- The session incorporated case studies and real-life scenarios to provide practical insights into personality development.

Interactive Discussion:

- An interactive discussion allowed students to actively engage with the speaker, ask questions, and seek personalized advice.

Impact:

The session had a positive impact on students' understanding of personality development. The inclusion of case studies made the concepts relatable, while the interactive discussion fostered a conducive learning environment.

Future Initiatives:

The success of this session encourages us to plan more events on personality development, integrating case studies and real-life scenarios. We aim to continue providing students with practical tools for personal and professional growth.

Acknowledgment:

We extend our heartfelt thanks to Prof. Gautam Adhgale for his insightful session and dedication to the students' personal development.

Conclusion:

The Guest Lecture on Personality Development was a valuable addition to our students' learning journey. The incorporation of case studies, real-life scenarios, and an interactive discussion made the event engaging and impactful.
