Introduction

Established in the academic year 2009-2010, Modern College of Computer Science and Information Technology is a premier institution under the aegis of the Parmita Education Society. Led by the visionary Chairman, Mr. Pradeep Lakmanrao Rode, the college has been at the forefront of providing quality education in the field of computer science. Offering two prominent courses, Bachelor of Computer Science (BCS) and Bachelor of Computer Application (BCA), the college has consistently strived to nurture and develop the skills of its students, preparing them for a successful career in the ever-evolving field of technology.

Purpose

The purpose of this MOU is to establish a collaborative partnership between MC and Eklavya College to promote academic excellence, research, and student development.

Objectives

a. Academic Collaboration: MC and EC will collaborate on academic programs, including joint research projects, faculty exchange programs, and curriculum development. b. Student Development: Both institutions will work together to enhance student development through workshops, seminars, and internships. c. Industry Interaction: MC and EC will facilitate interactions with industry professionals to provide practical exposure to students and enhance industry-academia collaboration. d. Infrastructure Sharing: The institutions may explore opportunities for sharing facilities and resources to optimize infrastructure utilization.

Duration

This MOU shall be effective from the date of signing and shall remain in force for a period of five (5) years unless terminated earlier by mutual agreement.
Visits

a. Faculty Visits: Both institutions may arrange for faculty visits to exchange knowledge, conduct lectures, and participate in collaborative research projects. b. Student Visits: Student visits may be organized for educational purposes, including industrial visits and cultural exchange programs.

Intellectual Property Rights

Any intellectual property developed jointly under this MOU shall be owned jointly by MC and EC, with both institutions having equal rights to use and commercialize such intellectual property.

Confidentiality

Both parties agree to maintain the confidentiality of any information shared during the course of this collaboration.

Governing Law

This MOU shall be governed by and construed in accordance with the laws of India.

Termination

Either party may terminate this MOU by providing a written notice of termination to the other party thirty (30) days in advance.
