Reg. No. F-11895/"A"bad" (Affiliated to Dr. B.A.M.U. University, Aurangabad)

Introduction

Established in the academic year 2009-2010, Modern College of Computer Science and Information Technology (MC) is a premier institution under the aegis of the Parmita Education Society. Led by the visionary Chairman, Mr. Pradeep Lakmanrao Rode, the college has been at the forefront of providing quality education in the field of computer science. Offering two prominent courses, Bachelor of Computer Science (BCS) and Bachelor of Computer Application (BCA), the college has consistently strived to nurture and develop the skills of its students, preparing them for a successful career in the ever-evolving field of technology.

Purpose

The purpose of this MOU is to establish a collaborative partnership between MC and the Maharashtra Superstition Eradication Committee to promote academic excellence, research, student development, and the eradication of superstitions through education and awareness.

Objectives

- a. Academic Collaboration:** The institutions will collaborate on academic programs, including joint research projects, faculty exchange programs, and curriculum development.
- b. Student Development:** The institutions will work together to enhance student development through workshops, seminars, and internships.
- c. Industry Interaction:** The institutions will facilitate interactions with industry professionals to provide practical exposure to students and enhance industry-academia collaboration.
- d. Infrastructure Sharing:** The institutions may explore opportunities for sharing facilities and resources to optimize infrastructure utilization.
- e. Awareness Programs:** Jointly organize awareness programs and campaigns to eradicate superstitions and promote scientific thinking among students and the community.

Duration

This MOU shall be effective from the date of signing and shall remain in force for a period of five (5) years unless terminated earlier by mutual agreement.
