Reg. No. F-11895/Aurangabad"

(Affiliated to Dr. B.A.M.U. University, Aurangabad)

## Introduction

Modern College of Computer Science and Information Technology (MC), established in the academic year 2009-2010 under the aegis of the Parmita Education Society, is a premier institution providing quality education in computer science. The college, led by Chairman Mr. Pradeep Lakmanrao Rode, offers Bachelor of Computer Science (BCS) and Bachelor of Computer Application (BCA) programs, aimed at preparing students for successful careers in technology.

Government Divisional Library, Aurangabad (GDL) serves as a vital public resource, offering a wide range of academic and non-academic books, journals, and digital resources to support the educational needs of the community.

## Purpose

The purpose of this MOU is to establish a collaborative partnership between MC and GDL to enhance academic resources and promote educational development through shared use of library facilities and services.

## Objectives

- a. **Access to Library Resources:** MC students, faculty, and staff will have access to GDL's extensive library resources, including books, journals, digital media, and other educational materials.
- b. **Library Services:** GDL will provide comprehensive library services, such as borrowing privileges, reading room access, and utilization of digital resources, to MC members.
- c. **Educational Programs:** Both institutions will collaborate to organize workshops, seminars, and training sessions on effective use of library resources, research methodologies, and academic writing.
- d. **Resource Sharing:** MC and GDL will explore opportunities for resource sharing, including inter-library loans and joint subscriptions to academic journals and databases.
