ANTI-RAGGING COMMITTEE

(Academic Year-2023-2024)

The Anti-Ragging Committee at Modern College of Computer Science & Information Technology plays a pivotal role in ensuring a safe and respectful environment on campus. While policies and regulations may vary, the core responsibilities and authorities of the committee remain consistent in their commitment to preventing and addressing ragging incidents. Here are the key functions of the Anti-Ragging Committee:

1. Prevention and Awareness:

Educating students about the consequences of ragging and the importance of maintaining a friendly and respectful atmosphere on campus.

Organizing orientation programs for new students to familiarize them with the college's policies and regulations against ragging.
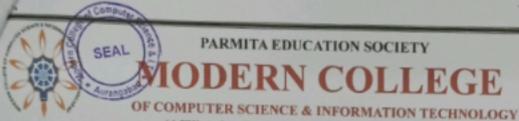

2. Receiving Complaints:

Receiving complaints related to ragging from students, faculty, or staff.

Ensuring that the complaint process is confidential and secure to protect the identity of the complainants.

3. Investigation:

Conducting thorough and impartial investigations into reported incidents of ragging.

Collecting evidence, interviewing witnesses, and documenting findings.

4. Disciplinary Actions:

Recommending appropriate disciplinary actions against individuals or groups found guilty of ragging, as per institutional guidelines and legal provisions.

Liaising with law enforcement authorities if the incident involves criminal actions.

5. Support for Victims:

Providing support and counseling services to victims of ragging to help them cope with the emotional and psychological impact.

Ensuring that victims are not subjected to further harassment for reporting incidents.

6. Coordination with Authorities:

Collaborating with local law enforcement agencies, if required, for legal action against perpetrators.

Co-operating with other relevant bodies within the institution, such as student councils and administrative departments.
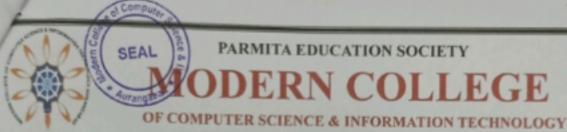

7. Regular Monitoring:

Monitoring the campus environment to identify potential ragging incidents and taking proactive measures to prevent them.

Conducting surprise checks or inspections in hostels, common areas, and other places where ragging might occur.

8. Awareness Programs:

Organizing awareness campaigns, workshops, seminars, and discussions to sensitize the entire campus community about the negative impact of ragging.

9. Annual Reports:

Preparing and submitting annual reports to higher education regulatory bodies, detailing the committee's activities, measures taken, and outcomes.

It is important to note that anti-ragging committees should operate within the legal framework of the country and adhere to the specific policies and guidelines set by the Modern College and relevant regulatory bodies. For the most current information, it is recommended to check the official website of the respective educational institution or regulatory authority.
