## OBC Cell

(Academic Year- 2023-2024)

### Introduction:

The OBC Cell at Modern College of Computer Science & I.T., Aurangabad, is a dedicated department established to cater to the needs and concerns of students belonging to Other Backward Classes (OBC). The OBC category includes social groups considered socially and educationally disadvantaged, eligible for affirmative action measures ensuring equal opportunities in education. Serving as a platform to address specific requirements of OBC students, it promotes their welfare, inclusivity, and academic success within the college. The cell aims to create an environment supporting their educational pursuits, fostering overall development, and ensuring equal opportunities for advancement.

### Key Objectives:

#### Equal Opportunity:

Ensure equal opportunities for OBC students in higher education, working towards fair representation in admissions, scholarships, and other academic activities, and monitoring reservation policy implementation.

#### Guidance and Support:

Provide guidance, counseling, and support services to assist OBC students in overcoming educational challenges, making informed decisions about academic and career paths, and enhancing overall academic performance.

#### **Socio-Economic Upliftment:**

Address socio-economic barriers by facilitating access to financial aid, scholarships, and other support services, working to alleviate economic disparities and promote educational and social development.

#### **Advocacy and Representation:**

Serve as a platform for OBC students to voice concerns, grievances, and aspirations, advocating for their rights, interests, and well-being within the college, ensuring representation in decision-making processes and policy formulations.

#### **Awareness and Sensitization:**

Organize awareness programs, seminars, workshops, and cultural events to promote understanding, appreciation, and sensitivity towards diverse backgrounds and needs of OBC students, fostering an inclusive environment that respects and values their cultural identity.

#### **Collaboration and Networking:**

Collaborate with external agencies, NGOs, and government departments to establish partnerships, programs, and initiatives supporting the educational and social development of OBC students, facilitating networking opportunities for their growth and career advancement.
