## ST CELL

(Academic Year 2023-2024)

### Introduction:

Modern College of Computer Science & I.T., Aurangabad, has established the ST (Scheduled Tribe) Cell to cater to the specific needs and concerns of Scheduled Tribe students. Scheduled Tribes are recognized as historically disadvantaged communities, and the ST Cell plays a crucial role in promoting their welfare, inclusion, and academic success within the college environment. The cell is set up in accordance with the guidelines of the University Grants Commission (UGC) or other relevant regulatory bodies, aiming to create a supportive and inclusive campus environment for Scheduled Tribe students to thrive.

### Objectives of the Cell:

#### Providing Guidance and Support:

The ST Cell offers counseling, academic assistance, and mentoring to help Scheduled Tribe students navigate the challenges of higher education and achieve their academic goals.

#### Ensuring Equal Opportunities:

It works to ensure equal opportunities for Scheduled Tribe students in admissions, scholarships, and other academic activities, monitoring the implementation of reservation policies.

#### Addressing Socio-Economic Challenges:

The ST Cell aims to address the socio-economic challenges faced by Scheduled Tribe students by facilitating access to financial assistance, scholarships, and other support services.
