SC CELL

(Academic Year 2023-2024)

Introduction:

The SC Cell at Modern College of Computer Science & I.T., Aurangabad, was established as per the guidelines of the University Grants Commission (UGC) to create a conducive environment for Scheduled Caste (SC) students. Its primary objective is to ensure equal opportunities and academic success without discrimination. The cell works towards empowering SC students by providing support services and implementing policies for their social, educational, and economic upliftment.

Aims and Objectives:

Equal Opportunity: Ensure equal opportunities for SC students in higher education, advocating for their fair representation in admissions, scholarships, and other academic activities.

Academic Support: Provide counseling, mentoring, and tutoring to help SC students overcome educational challenges and enhance their academic performance.

Social Inclusion: Create an inclusive campus environment where SC students feel welcomed, respected, and valued, fostering social integration among all students.

Empowerment: Provide information, guidance, and resources to empower SC students to make informed decisions about their education and career choices.

Advocacy and Representation: Serve as a platform for SC students to voice their concerns, advocating for their rights and well-being within the college.
